
MR23/001 REVIEW OF THE BAY PAVILIONS OPERATION

File Ref: S012-T00025

Attachments: Nil

EXECUTIVE SUMMARY

The purpose of this Mayoral Report is to seek Council's support for a thorough review of the Bay Pavilions operations and for that review to be reported back to Council.

The review is already identified in the General Manager's 2022-23 performance plan and early work has commenced.

However, given the importance of this matter I wish to make it clear to the community that the results of the review will be reported back to Council. In this way the review is transparent for councillors and the community, and the results of the review will be in the public domain.

RECOMMENDATION

THAT Council supports the General Manager's review of Bay Pavilions operations and receives a report detailing the results of the review once complete.
