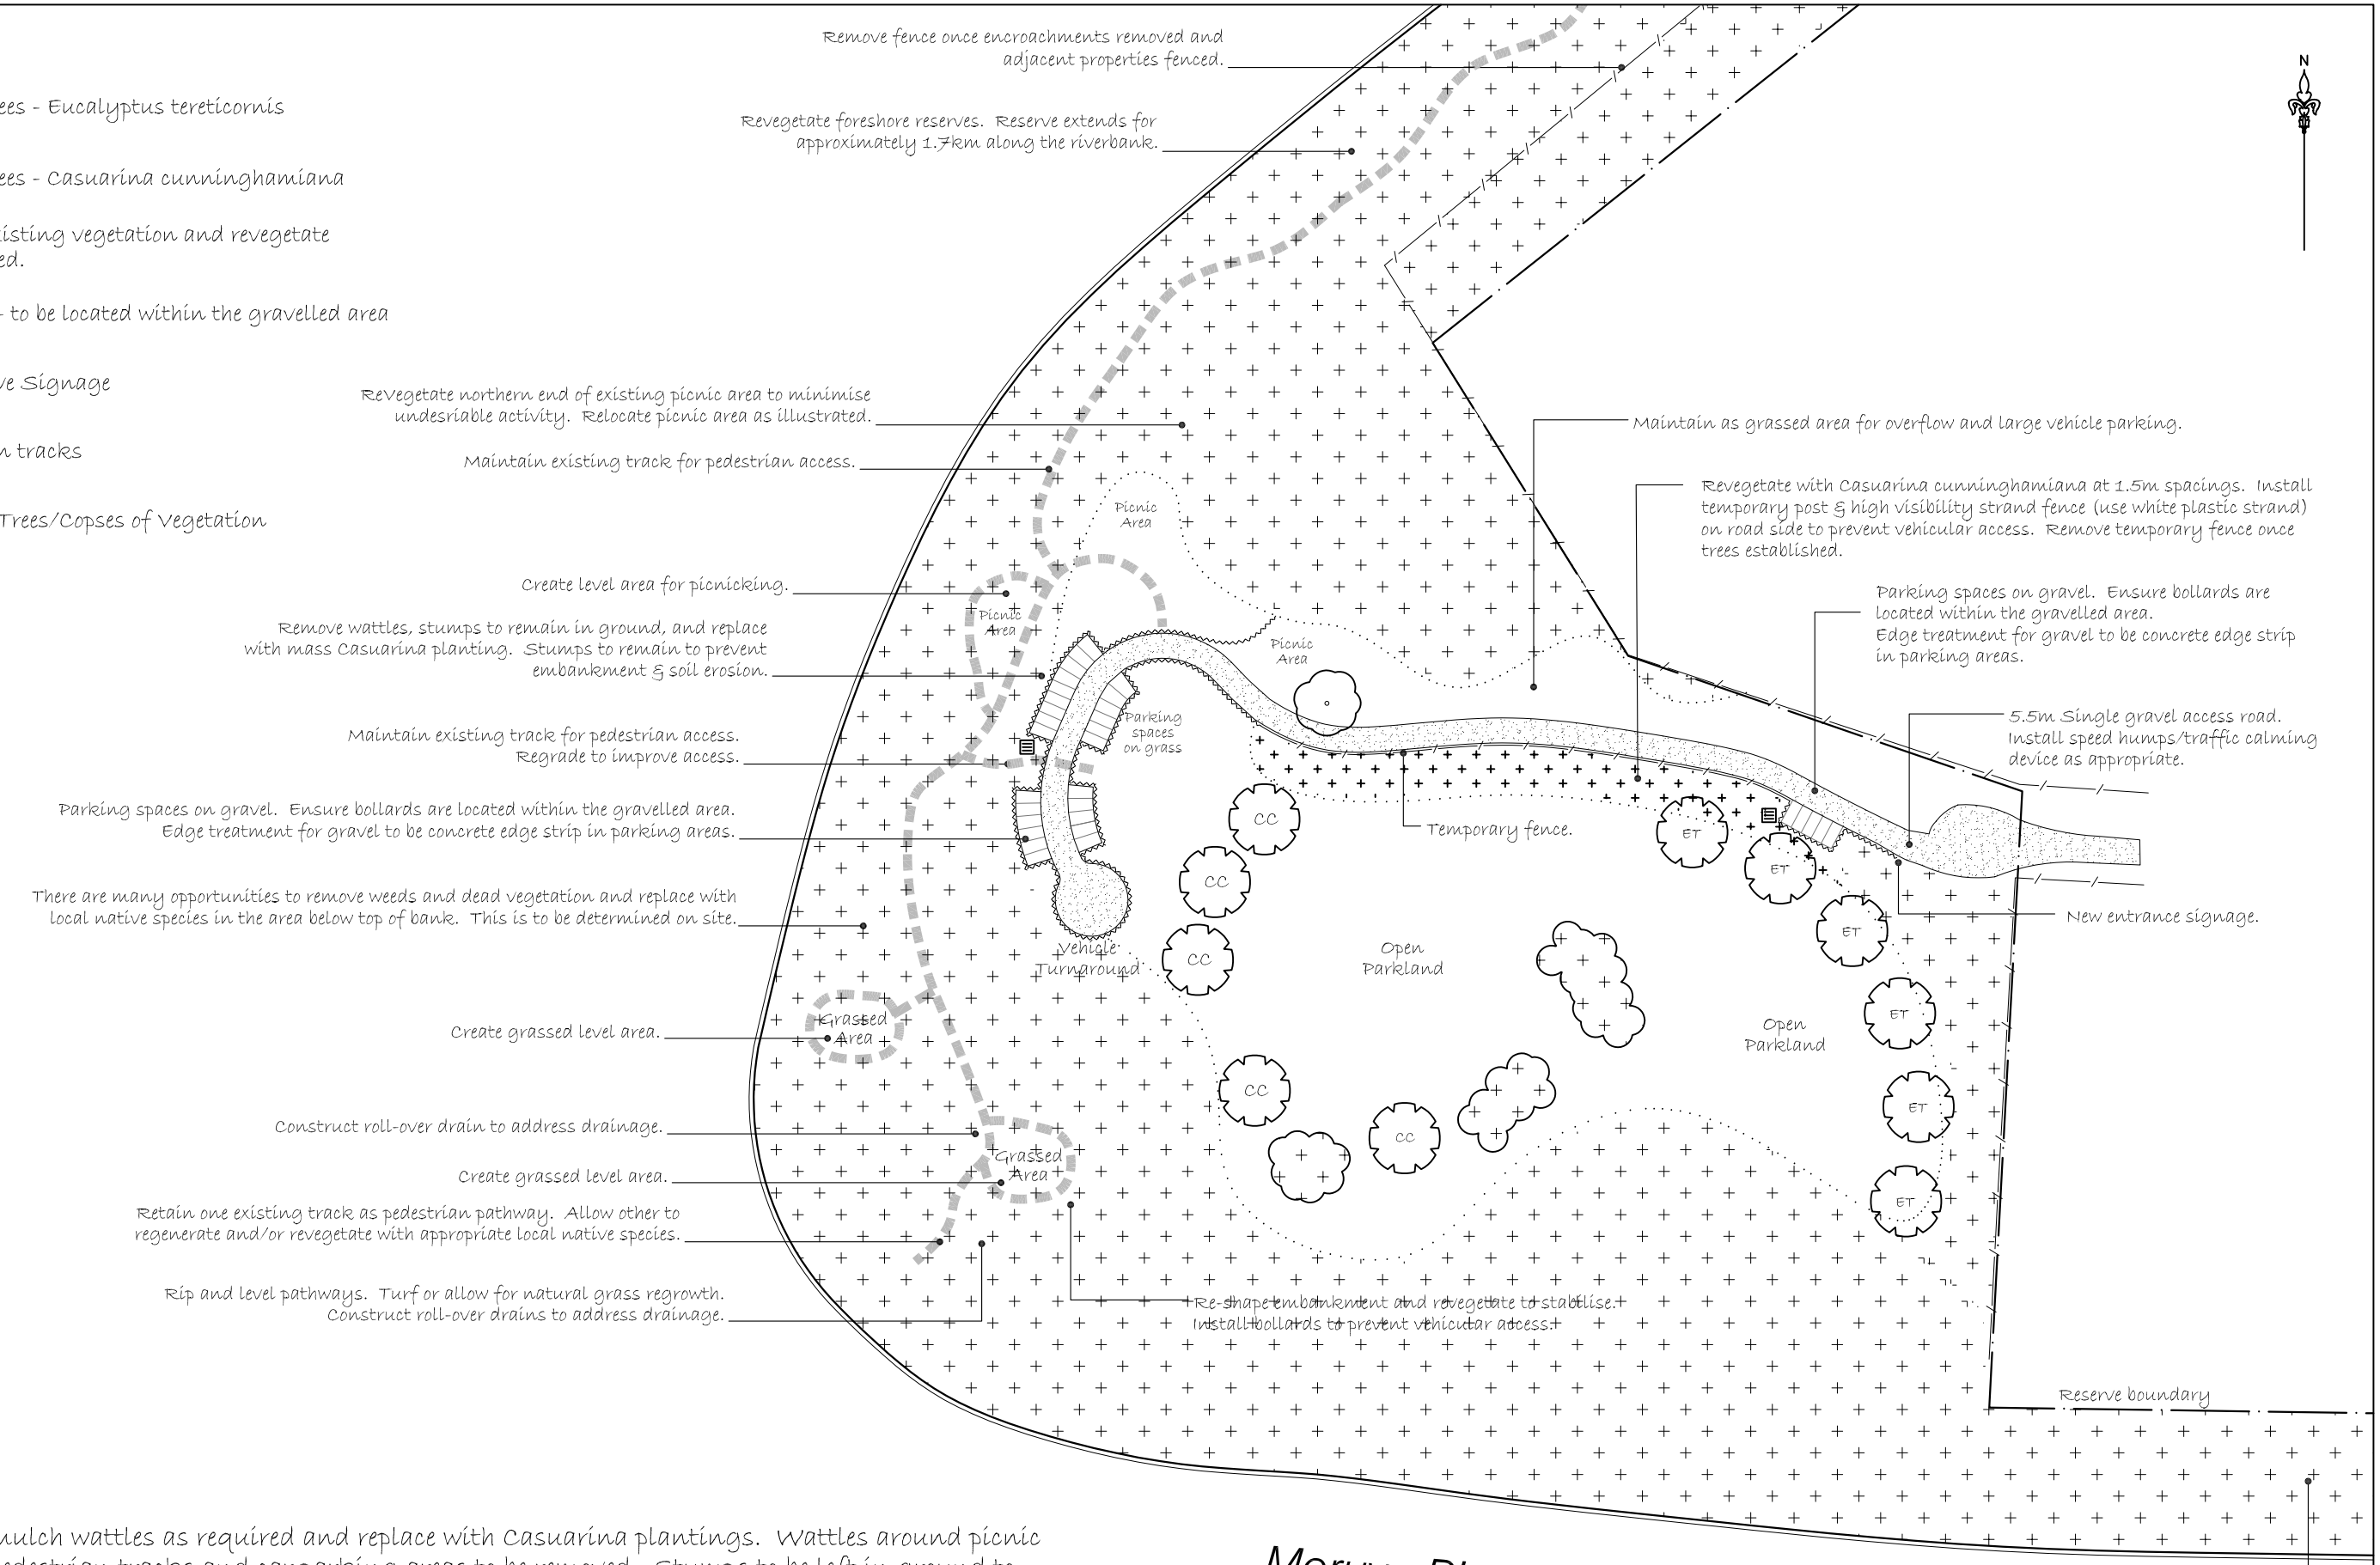
LEGEND

- Shade Trees - Eucalyptus tereticornis (ET)
- Shade Trees - Casuarina cunninghamiana (CC)
- Retain existing vegetation and revegetate as required.
- Bollards - to be located within the gravelled area
- Interpretive Signage
- Pedestrian tracks
- Existing Trees/Copses of Vegetation



NOTES:

Remove and mulch wattles as required and replace with Casuarina plantings. Wattles around picnic areas, roads, pedestrian tracks and car parking areas to be removed. Stumps to be left in ground to prevent soil & embankment erosion. Re-use mulch on-site.

Picnic furniture to be replaced with hardwood timber tables & benches when funding available.
