

## Proposed options and fees

The proposed policy and associated fees and charges provides a range of options and price points to enable choice and affordability to meet the needs of a broad range of community members. Table 1 outlines the proposed fee structure for 2025-2026.

**Table 1**

Fee Options	Option Inclusions
Option 1 \$1,000	<ul style="list-style-type: none"><li>• Plaque only</li><li>• Plaque installed on existing seat</li><li>• Seat located within a requested precinct, not specific site</li></ul>
