## 1. OUR SUSTAINABLE SHIRE CELEBRATES OUR NATURAL ENVIRONMENT AND OUTDOOR LIFESTYLES

### 1.1 – MOVE TOGETHER FOR A SUSTAINABLE FUTURE

#### 1.1.1 - Build community awareness of opportunities to live more sustainably

Action	Service	Progress Update	Status
<b>1.1.1.1</b> Partner with community groups to promote sustainable practices	Environmental Planning and Management	Council is working with various community groups including Southcoast Health and Sustainability Alliance (SHASA), Narooma Oyster Festival and other event organisers and groups to promote sustainable practices.  Council also worked with the Batemans Bay and Wagonga Aboriginal Land Councils to reinstate cultural burning practices and training on council managed lands.	
<b>1.1.1.2</b> Deliver Council led sustainability and environmental education programs	Environmental Planning and Management	During the first six-months: <ul style="list-style-type: none"> <li>•Three plant swaps and 59 bush friendly garden audits have been delivered.</li> <li>•School excursions and workshops were conducted including setting up compost bins, Dam to Tap tours, Tapstar Road Show, Environmentors, Environment Forum, and biodiversity workshops.</li> <li>•Four composting and four worm farm workshops delivered to residents</li> <li>•Collected and processed two cubic metres of banned plastic items from over 20+ local businesses as part of NSW plastics ban</li> <li>•Set up Return &amp; Earn bins at Broulee Public School.</li> </ul>	
<b>1.1.1.3</b> Advocate to NSW Government for support to assist in addressing barriers to enable further investment in sustainability upgrades for business	Economic Development / Environmental Planning and Management	Council has a draft Electronic Vehicle (EV) Charging strategy to provide direction in response to government initiatives to promote the uptake of destination chargers. A meeting was arranged with other Councils to determine if a consistent approach could be achieved.	

<b>1.1.1.4</b> Review and engage on Community Garden Guidelines and policy	Community Facilities	The revised policy for Public Land Use by Community Organisations was adopted in October 2022. This policy will underlie a future Community Gardens policy. Updates to the Community Gardens guidelines are being considered in alignment with recommendations from the adopted Climate Action Plan.	
<b>Measure</b>	<b>July to December 2022</b>		
Participation in education programs	Approximately 500 participants		

1.1.2 - Investigate and encourage renewable energy and technologies for Council and the community			
Action	Service	Progress Update	Status
<b>1.1.2.1</b> Explore emerging technology initiatives that promote sustainable practices and efficiencies such as smart cities solutions and innovative public conveniences	Environmental Planning and Management / Information Technology / Technical Services	<p>Council continues to expand the extensive network of Internet of Things (IoT) monitoring and information transmission equipment it maintains.</p> <p>The recently completed installation of smart crash barriers has led to the innovative use of accelerometers as both crash sensors and as traffic counters. This has not been done before. Information portals such as Ubidots and Opendatasoft continue to be reconfigured to provide a more intuitive display of Council information. Council continues to work with the combined IoT Working Group with Wollongong, Shellharbour, Kiama, and Shoalhaven councils to optimise the use of resources and skills amongst the member councils. This working group has begun to create a catalogue of resources and skills available in the wider group.</p>	
<b>1.1.2.2</b> Seek Power Purchase Agreement / renewable energy supply for remaining 20% of Council energy usage	Environmental Planning and Management	Renewable energy supply has reduced below 80%. The Bay Pavilion is on a separate LG Procurement power contract, which is outside the scope of Council's current power agreement. Solar opportunities are being investigated for public toilet blocks. Review of energy supply and opportunities at key council facilities is ongoing.	
<b>1.1.2.3</b> Develop and share community tools and initiatives to assist with informed choices about renewable energy options	Environmental Planning and Management	<p>Council's website has been updated with energy saving opportunities <a href="#">here</a>.</p> <p>A grant offer to deliver a Sustainable Choices program has been accepted.</p>	
<b>1.1.2.4</b> Develop a Council Electric Vehicle (EV) Strategy	Plant and Fleet/ Environmental Planning and Management	<p>The Electric Fleet Strategy is in the early stages of development. Consultation with internal and external stakeholders continues.</p> <p>It is anticipated a draft will be presented to Council during 2023-24. The project has experienced delays due to resourcing constraints.</p>	

<p><b>1.1.2.5</b> Advocate to NSW and Australian governments for further support of Electric Vehicles</p>	<p>Environmental Planning and Management/ Transport</p>	<p>The Electronic Vehicle (EV) Strategy is in the early stages of being drafted. There will be further research and consultation with other areas of Council conducted in the new year. Council took delivery of its first EV in August 2021, a Tesla Model 3 for the Mayor. This will provide valuable data and experience that will inform the EV Strategy.</p> <p>Two EV charging stations are now available at the Bay Pavilions. In addition, Council has been investigating options for charging stations on public lands in the Eurobodalla.</p> <p>The formation of the Climate Change Advisory Committee will provide opportunities to advocate for EV.</p> <p>Council is monitoring for opportunities from the NSW and Australian governments for further support of electric vehicles.</p>

1.1.3 - Facilitate waste management services guided by the strategy and asset management plan			
Action	Service	Progress Update	Status
<p><b>1.1.3.1</b> Build, renew, operate and maintain waste landfill sites and transfer stations</p>	<p>Waste Management</p>	<p>Operations at the Surf Beach and Brou Waste Management Facilities and the Moruya Transfer Station are on track with no incidents.</p> <p>The grant funded Bushfire Recovery Landfill Projects at the Surf Beach facility (new cell, onsite wastewater management and an expansion of the organics processing area) and Brou (rezone of land and expansion works) have been extended to be completed by 30 June 2024. Council was successful in advocating to the NSW State Government to obtain the twelve-month extension for the works. The projects are progressing. Council awarded the concept and design services tender for the Surf Beach new cell enabling works (including the organics area expansion) in December 2022. Biodiversity assessment fieldwork, including flora and fauna surveys are continuing at Brou with Aboriginal Cultural Heritage Assessments nearing completion.</p>	
<p><b>1.1.3.2</b> Manage kerbside collection and annual hazardous waste collection</p>	<p>Waste Management</p>	<p>Council's new waste contractor Cleanaway Pty Ltd commenced domestic waste collections on 1 October 2022. The transition to the new contract went well with little disruption to the kerbside</p>	

		collection. The kerbside collection of waste, recycling and green waste is progressing as per contractual arrangements, servicing approximately 46,000 bins each week.	
<b>1.1.3.3</b> Review and update the Eurobodalla Waste Strategy	Waste Management	<p>Council has commenced the review of the Eurobodalla Waste Strategy. The project has experienced delays due to resourcing constraints. It is anticipated a draft will be presented to Council in 2023-24.</p> <p>The Eurobodalla Climate Action Plan includes an action to review the waste strategy. At the inaugural meeting of the Climate Change Advisory Committee meeting in November 2022, committee members were advised on how the committee will assist in the review. The next meeting is scheduled for 9 February 2023.</p>	
<b>1.1.3.4</b> Partner in regional collaborations and develop strategic partnerships for sustainable waste practices	Waste Management	<p>Council is a member of the Canberra Region Joint Organisation (CRJO) and attends regular Resource Recovery Working Group meetings. Council participates in the CRJO waste education subgroup and collaborates with the CRJO and member councils to deliver waste education and investigate regional grant opportunities to implement waste initiatives. CRJO recently supported council in successfully advocating to the NSW State Government to obtain a twelve month extension to the Environment Protection Authority grant funded Bushfire Recovery Landfill Projects.</p>	
<b>1.1.3.5</b> Coordinate Clean Up Australia Day activities	Waste Management	<p>Preliminary works have commenced for the Clean Up Australia Day event scheduled to be held in March 2022.</p>	
<b>1.1.3.6</b> Review waste fees and charges to promote recycling and waste separation	Waste Management	<p>Draft 2023-24 fees and charges have been reviewed. Fees and charges focus on achieving full cost recovery and incentivising recycling and waste separation to divert waste from landfill.</p>	
<b>1.1.3.7</b> Investigate and manage illegal dumping incidents	Public and Environmental Health	<p>100 customer service requests received and responded to within required time frames.</p>	
<b>1.1.3.8</b> Advocate to NSW and Australian governments for the integration of climate change and green house gas issues into regional waste strategies	Waste Management	<p>The NSW Government's Waste and Sustainable Materials Strategy 2041 contains a number of targets and actions aimed at reducing greenhouse gas emissions and moving towards a circular economy. The Canberra Regional Joint Organisation (CRJO) recently reviewed its regional waste strategy. The strategy was developed in consultation with the ACT and State governments, and CRJO member councils. The regional waste strategy aligns with State and Federal policy and waste priorities and contains a number of actions that address climate change</p>	

		and greenhouse gas. Council will continue to advocate to the government on climate change and greenhouse gas issues as opportunities arise.	
<b>1.1.3.9</b> Investigate opportunities for further methane capture and flaring at landfills	Waste Management	Council is reviewing its landfill operations for potential opportunities to increase the size and capacity of existing landfill gas capture infrastructure. In consultation with the Clean Energy Regulator and MRA Consulting, Council is reviewing the possibility of 5-year extension to the existing Surf Beach and Brou landfill gas carbon abatement projects.	
<b>Measure</b>	<b>July to December 2022</b>		
Kerbside collection customer requests attended to within timeframe	100%		
Number of illegal dumping incidents	100		

## 1.2 – VALUE, PROTECT, AND ENHANCE OUR NATURAL ENVIRONMENT

### 1.2.1 - Protect and enhance the landscape and biodiversity values of Eurobodalla

Action	Service	Progress Update	Status
<b>1.2.1.1</b> Finalise and adopt the Biodiversity Strategy	Strategic Planning	The Biodiversity Strategy continued to be prepared. All feedback from initial community and stakeholder consultation undertaken between April and July 2022 has been reviewed and considered. A set of draft high-level actions for inclusion in the strategy have been developed. Council hosted a series of drop-in sessions in October to provide the community an update of Council's progress with the strategy input received to date from the community and stakeholders. The community and stakeholders were provided the opportunity to provide further feedback through the drop-in sessions, an online survey and meetings. An initial working draft strategy has been prepared.	
<b>1.2.1.2</b> Provide invasive weed management programs	Environmental Planning and Management	Council completed the following weed management programs: <ul style="list-style-type: none"> <li>• Bitou bush control on coastal escarpments between Tomakin and Batemans Bay</li> <li>• African Love Grass control across all Council roadsides</li> <li>• Lantana control across the southern portion of Council's roadsides</li> <li>• Inspections for Boneseed across Long Beach and Wimbie Beach</li> </ul>	

		<ul style="list-style-type: none"> <li>• Serrated Tussock inspections across Bingie with excellent results in this area from our landholders.</li> <li>• A single spray run for Fireweed was completed in late winter, however, there have been multiple germination events this year and it will be difficult to resource the control of Fireweed on Council roadsides and reserves into the future.</li> <li>• Inspections for Cassia and Arum Lily in South Durras</li> <li>• St John's Wort control across Council roadsides and reserves.</li> </ul>	
<b>1.2.1.3</b> Provide pest management	Environmental Planning and Management	Rabbit monitoring for the north area (Moruya to South Durras) is complete. Rabbit control is mostly complete for the year with control runs completed at Nelligen, South Durras, Moruya, and Moruya Heads. There is ongoing control at Mossy Point and various locations in the northern part of the shire.	
<b>1.2.1.4</b> Collaborate with South East Local Land Services to promote sustainable and biodiverse aware practices	Environmental Planning and Management	Council continued to work on joint Local Land Services (LLS) projects with Coastwatchers and Eco Crew to implement vital corridor re-vegetation works on private properties and participated in landholder biodiversity workshops with LLS and other stakeholders. Planning for new projects with LLS underway.	
<b>1.2.1.5</b> Undertake flying fox camp monitoring and deliver community awareness programs	Environmental Planning and Management	Flying Fox monitoring commenced in December 2022 when camps became re-occupied. Planning for community and school education events underway.	
<b>1.2.1.6</b> Review the Eurobodalla Flying Fox Management Plan	Environmental Planning and Management	Internal review of the Flying Fox Management Plan (FFMP) has been completed and report to Council scheduled 14 February.	
<b>Measure</b>	<b>July to December 2022</b>		
Percentage of complying biosecurity inspections	97%		

## 1.2.2 - Maintain healthy waterways and catchments by finalising and implementing estuary management plans and monitoring impacts

Action	Service	Progress Update	Status
<b>1.2.2.1</b> Finalise the Wagonga, Mummaga and Moruya Estuary Coastal Management Plans	Environmental Planning and Management	The Wagonga, Mummaga and Moruya Estuary Coastal Management Plan has been adopted by Council and submitted to the Minister for Certification.	
<b>1.2.2.2</b> Seek grant funding to prepare the Tomago Spit Management Plan	Environmental Planning and Management	Grant funds not yet secured. Insufficient staff resources to undertake project at this time.	

<b>1.2.2.3</b> Adopt and certify the Tuross Coila Estuary Coastal Management Plan	Environmental Planning and Management	This Coastal Management Plan (CMP) was semi-completed several years ago but was not certified. Given the time elapsed since its preparation this CMP will require significant updating and additional consultation. It would likely best serve as a "basis" for a new CMP as it will require significant reworking to meet the objectives and requirements of the <i>Coastal Management Act</i> and manual. Presently, an emphasis is on delivery of existing CMP's which means resources will not be allocated to this project.	
<b>1.2.2.4</b> Undertake estuary health monitoring	Public and Environmental Health	Estuary monitoring continued across the six major estuaries in Eurobodalla. The program will be reduced due to resourcing from January to June 2023. Estuary health data is used to prepare report cards for each of the major estuaries which are available on the Council website and require data analysis and updating.	
<b>1.2.2.5</b> Seek grant funds and undertake estuary management projects	Public and Environmental Health	Two major grant funded projects to deliver conservation work and education across all the major estuaries are continuing.	
<b>1.2.2.6</b> Participate in the Beachwatch program	Public and Environmental Health	Continued participation in the NSW Government's Beachwatch program ensures that water quality at 11 popular beaches in Eurobodalla is monitored during the warmer months. Weekly sampling commenced in November and continues through to the end of March with results posted on the Council website each week during this period. Council continues to investigate water quality issues identified at Surf and Caseys Beaches through the Beachwatch program.	
<b>1.2.2.7</b> Deliver the Onsite Sewage Management System inspection program	Public and Environmental Health	784 inspections carried out with 95% compliance.	
<b>1.2.2.8</b> Undertake water, sewer and waste monitoring	Public and Environmental Health	Monitored in accordance with NSW Health requirements and Environmental Protection Licences.	
<b>Measure</b>	<b>July to December 2022</b>		
Percentage of complying Onsite Sewerage Management System inspections	95%		

## 1.2.3 - Work in partnership to provide natural resource management to develop community awareness of environmental opportunities, issues and impacts

Action	Service	Progress Update	Status
<b>1.2.3.1</b> Assist Landcare and community groups to deliver environmental projects	Environmental Planning and Management	28 Landcare groups and over 300 volunteers have been supported with additional grant funds (sourced externally) to pay for materials and projects. Grant funds were used to engage Landcare volunteers in Aboriginal cultural knowledge training to enhance their knowledge and highlight the importance of Landcare work. A report was presented to Council December 2022 and three new projects were endorsed for Denhams Beach, Long Beach and Moruya South Head Landcare groups.	
<b>1.2.3.2</b> Seek grants and support to enhance the natural environment	Environmental Planning and Management	Three new grant applications were submitted: Fish Habitat Action program; NSW Environmental Trust Restoration and Rehabilitation program and Stronger Country Communities. Funding received for a new sustainability education program.	
<b>1.2.3.3</b> Monitor, inspect and respond to public and environmental health matters	Public and Environmental Health	Council received 543 customer service requests for public and environmental health related matters such as noise, air, land, and water pollution and development compliance	

Measure	July to December 2022
Number of volunteer hours in natural resource management	4,000
Number of groups supported	27
Number of public and environmental health matters responded within timeframe	72%

## 1.3 – RESPOND TO OUR CHANGING CLIMATE AND NATURAL HAZARDS

### 1.3.1 - Improve Eurobodalla's resilience to the effects of man-made climate change through the implementation of the Climate Action Plan

Action	Service	Progress Update	Status
<b>1.3.1.1</b> Design and implement programs for plantings, and or, artificial shading of strategic urban streetscapes, council carparks and playgrounds	Environmental Planning and Management	Council continues to implement planting and shade improvements. Recent plantings include, Clyde Street West adjacent to the playground, Sunshine Bay Road adjacent to the public school, Batemans Bay Watergardens, and plantings in several areas at Gundry Oval. Gundry Playground also had a shade sail installed.	

<b>1.3.1.2</b> Advocate to the NSW Government to improve the energy efficiency of social housing	Environmental Planning and Management	Advocacy will be considered during the development of the Local Housing Strategy of which a contractor has been engaged to commence.	
<b>1.3.1.3</b> Facilitate a Climate Change Advisory Group	Environmental Planning and Management	The Climate Change Advisory Committee (CCAC) was established with 15 members and its first meeting completed. Quarterly meetings are scheduled and Council's website has been updated.	

1.3.2 - Manage coastal hazards by implementing coastal and management studies and projects			
Action	Service	Progress Update	Status
<b>1.3.2.1</b> Finalise and seek certification of the Eurobodalla Coastal Management Plan	Strategic Planning	The Open Coast Coastal Management Plan has been adopted by Council and submitted to the Minister for Certification.	
<b>1.3.2.2</b> Manage lake openings	Stormwater	Durras Lake and Coila Lake were opened October 2022 as required.	

1.3.3 - Protect communities through developing and implementing floodplain risk management plans			
Action	Service	Progress Update	Status
<b>1.3.3.1</b> Finalise and adopt the Narooma Flood Risk Management Plan	Strategic Planning	The project is near complete and additional financial resources are not required to finish it. There are insufficient staff resources available to finalise the project at this time.	
<b>1.3.3.2</b> Seek grants and other funding to mitigate flood risk	Strategic Planning	Council have successfully sought and received a \$100,00 grant from the NSW State Government Coastal and Flood grants team to undertake a Floodplain Risk Management Study and Plan for Batemans Bay.	

## 1.4 – WORK TOGETHER IN THE MANAGEMENT AND USE OF OUR VALUABLE RESOURCES

1.4.1 - Provide safe, reliable and sustainable water and sewer services, guided by the Integrated Water Cycle Management Strategy			
Action	Service	Progress Update	Status
<b>1.4.1.1</b> Build and renew the water supply network	Water Services	Water main renewal jobs completed to date include: <ul style="list-style-type: none"> <li>• Illabunda Drive, Malua Bay</li> <li>• Country Club Drive, Catalina</li> <li>• Lockersleigh Ave, Batehaven</li> <li>• Warbler Crescent, Narooma</li> <li>• Woodbridge Avenue, Moruya</li> <li>• Noble Pde/Amhurst Street, Dalmeny</li> </ul>

<b>1.4.1.2</b> Operate and maintain the town water supply system	Water Services	Operational and maintenance activities undertaken per Council's schedule.	
<b>1.4.1.3</b> Build and renew sewerage network	Sewer Services	Sewer capital activities completed to date include: <ul style="list-style-type: none"> <li>• Caswell St, Moruya</li> <li>• Bowen St, Narooma</li> <li>• Lakeview Dr, Narooma</li> </ul> Sewer renewal activities completed include: <ul style="list-style-type: none"> <li>• 5.5km of sewer mains relined</li> <li>• 200+ property junctions sealed</li> </ul>	
<b>1.4.1.4</b> Operate and maintain sewerage system	Sewer Services	Operational and maintenance activities undertaken per Council's schedule.	
<b>1.4.1.5</b> Review the Integrated Water Cycle Management Strategy	Water Services	The Draft Integrated Water Cycle Management Strategy, Strategic Business Plan and 30yr Long-Term Financial Plan is completed. The draft strategy/plans will be presented to Council during February/March, publicly exhibited during April/May and adopted in June/July 2023.	
<b>1.4.1.6</b> Develop and implement a new integrated water, sewer and stormwater servicing plan for South Batemans Bay CBD	Water Services / Sewer Services / Stormwater	Water hydraulic modelling updated 2022.	

Measure	July to December 2022
Length of sewer mains maintained	568
Number of customers on reticulated sewer	21,374
Number of sewage pump stations and treatment plants maintained	143
Number of sewer spills	12
Number of river offtakes, water treatment plants and pump stations maintained	39
Length of water mains maintained	920km
Number of water customers	21,844
Percentage of water meters replaced	66%
Volume of water treated	862.87ML
Improvement to resilience of the water and sewerage systems	3 permanent standby generators installed

1.4.2 - Increase water security through construction of the Southern Water Supply Storage			
Action	Service	Progress Update	Status
<b>1.4.2.1</b> Commence the construction of the Southern Water Supply Storage/Dam	Water Services	Works progressed and included: <ul style="list-style-type: none"> <li>• Tuross River Intake Pump Station (TRIPS) construction complete. Awaiting delivery of one electrical component to allow for commissioning and contract completion (delayed due to supply chain issues).</li> <li>• Storage contract awarded. Delays being experienced due to resourcing constraints.	
<b>1.4.3.4</b> Continue to improve energy security for key water and wastewater assets	Water Services	Permanent standby generators installed at the Bodalla, Tuross and Batemans Bay sewage treatment plants (STPs). Generators to be installed at the Tomakin, Moruya and Narooma STP's during their scheduled augmentations.  Permanent standby generators are planned for the Northern Water Treatment Plant and Deep Creek Dam Pumping Station. Generator to be installed at the Southern Water Treatment Plant during scheduled plant replacement.	
<b>Measure</b>		<b>July to December 2022</b>	
Number of water rebates issued		157	

## 2. OUR COMMUNITY THAT WELCOMES, CELEBRATES, AND SUPPORTS EVERYONE

### 2.1 – ACKNOWLEDGE OUR BEGINNINGS, EMBRACE OUR DIVERSITY

#### 2.1.1 - Acknowledge and involve the traditional custodians of Eurobodalla and deliver the outcomes of the Aboriginal Action Plan

Action	Service	Progress Update	Status
2.1.1.1 Coordinate the Aboriginal Advisory Committee and associated projects	Community and Cultural Development	The Aboriginal Advisory Committee met on 1 August and 7 November. The meetings provide opportunity to acknowledge and involve the traditional custodians of Eurobodalla in the delivery of the Aboriginal Action Plan and other council and community development projects. Actions arising from the meetings and associated projects include participation in Council's community Biodiversity consultation and submissions to Council's Biodiversity report. Engagement in workshops to develop a checklist to guide Effective Project Stakeholder Engagement with the Aboriginal and Torres Strait Islander community. Consultation was undertaken with Council teams regarding Batemans Bay Waterfront, Observation Point, Coastal Headlands Walk, duplicated named suburbs, Y-Drive car signage and the Malua Bay Beach Reserve Masterplan. Mental health concerns were a focus following suicides in the community, with discussion regarding availability and access to mental health and wellbeing programs for community to address the situation. Community development activities included repairs to the Bodalla bus shelter and support for the development of a community space and work shed for the Mogo community. Communication occurred with NSW Infrastructure regarding the new regional hospital build and the budget for Aboriginal art projects including design element of spaces, wayfinding signs and language displays. Support was provided to community-based activities such as the cultural burn for the new hospital site,	

		Red Dust Healing program, cultural healing programs, Grand Pacific Health plans to amend policies to allow healings outside and Monash University Working Group for the Fires to Flourish program. Acknowledging our beginnings and embracing our diversity, the Committee provided support and cultural advice to the Moruya Business Chamber for their Moruya walk and plaque for Sydney Cove Ship wreck project.	
<b>2.1.1.2</b> Collaborate with Aboriginal Elders, leaders and representatives	Community and Corporate Leadership	<p>Council continues to collaborate with Aboriginal Elders, leaders and representatives through the Aboriginal Advisory Committee and engagement on key projects including Batemans Bay Waterfront and Observation Point Interpretation Plan and a heritage conservation area for the Brierley's Boat Ramp.</p> <p>A project is underway to install an additional flagpole at Council's administration building to permanently display the Torres Strait Islander flag alongside the Aboriginal, Australian and New South Wales flags.</p>	
<b>2.1.1.3</b> Develop and promote Aboriginal contacts and protocols including welcome or acknowledgement to Country	Community and Cultural Development	The Aboriginal Advisory Committee supported the development of a community report and checklist to aid Council and community to implement Effective Project Stakeholder Engagement with the Aboriginal and Torres Strait Islander Community. Work on Council's Aboriginal Protocols and Guidelines document occurred with a draft document tabled at meetings of the committee. Work continues to be undertaken to finalise this document. The Dhurga Language Timeline display and supporting brochures were used to acknowledge our beginnings, embrace diversity, and recognise the traditional custodians of Eurobodalla at Council's diversity training workshops and NAIDOC Week celebrations. Local Aboriginal Lands Councils and the Aboriginal Advisory Committee were consulted to help implement appropriate cultural protocols for Welcome and Acknowledgement to Country, supporting significant community events and activities to open with a Welcome to Country and where appropriate a smoking or dance ceremony.	
<b>2.1.1.4</b> Provide cultural awareness programs for staff and councillors	Workforce Development	Council completed the 2022 roll-out of Cultural Diversity training for all staff – with 324 completing the training across July to September 2022. 406 staff, or 73%, of our staff have completed the training in total. This is an important initiative in our Aboriginal Action Plan 2020-2024.	

		We are planning further workshops in the second half of the year for new staff, and staff who have not yet been able to participate.	
<b>2.1.1.5</b> Celebrate NAIDOC Week with events, activities and grant opportunities	Community and Cultural Development	<p>Council was a partner organisation in the development and delivery of the first Mogo Big Day Out Family Fun Day event held during NAIDOC Week. An estimated 1,000 people attended across the day enjoying an inclusive, engaging, free cultural celebration of our diverse community. Service organisations that attended reported a positive feel from community stating "Elders were thankful for the service and the lay out of the event". 30 local services were able to engage with and meet community members, sharing and celebrating the NAIDOC message. The event provided an opportunity for people to learn about local Aboriginal and Torres Strait Islander culture with highlights including a traditional opening ceremony with Welcome to Country, flag raising, smoking and traditional dance ceremony. Activities and performances included local Aboriginal artists and groups with access to local support services, shuttle buses, food, music, games, activities, give-aways, rides, and demonstrations.</p> <p>Council's annual NAIDOC Week Flag Raising Ceremony was held in the Council courtyard to an audience of over 80 people. The event included an address from Councillor Worthington, a Welcome to Country performed by Bunja Smith, Vice Chair of the Aboriginal Advisory Committee, a cultural dance and smoking ceremony performed by Muladha Gamara, and a performance in Dhurga language by year five students from Moruya primary.</p> <p>Council's annual NAIDOC Week Community Grants program funded three local organisations to celebrate/acknowledge NAIDOC Week through a NAIDOC football game with game day jumpers designed by a local Aboriginal artist, a Welcome to Country and activities for children during the week. A Cuppa and Chat event in Central Tilba provided an opportunity for cross cultural yarnning, and a NAIDOC Community BBQ and Games Day featuring Welcome to Country, talks from Elders, games, and cook-off for kids.</p>	
<b>2.1.1.6</b> Engage with Aboriginal community in best interpreting Aboriginal cultural heritage in settlements and key destinations	Strategic Planning	<p>Implementation continues for the Batemans Bay Waterfront and Observation Point Interpretation Plan with content produced, final signage design and mural design complete.</p> <p>Work continues in collaborating with NSW State Forests on the development of an interpretation</p>	

		plan for Mogo and Narooma Trails. Planning Proposal 20 has been prepared to create a new Heritage Conservation Area for the Brierley's Boat Ramp area including proposed interpretative signage.

2.1.2 - Manage and promote our natural, cultural, and historical heritage identity guided by the Heritage Strategy			
Action	Service	Progress Update	Status
<b>2.1.2.1</b> Coordinate the Heritage Advisory Committee and associated projects	Community and Cultural Development	The Heritage Advisory Committee met and selected the award winners for the Fergus Thomson OAM Heritage Award nominations. These were forwarded to the Council for awards. The committee recommended some amendments to the Heritage Strategy. The committee has agreed upon an updated program.	
<b>2.1.2.2</b> Provide heritage advice	Community and Cultural Development	Council's heritage advisor provided advice on 14 occasions related to Local Heritage Community Grants and development applications.	
<b>2.1.2.3</b> Promote the shire's rich heritage through the Fergus Thomson OAM Award	Community and Cultural Development	The Fergus Thomson OAM Heritage Award nominations were open from 5 September until 21 October 2022. Several very commendable nominations were received. At its meeting on 9 November, the Heritage Advisory Committee recommended to the Council for an award and certificates of merit awards for several projects.	
<b>2.1.2.4</b> Investigate opportunities to celebrate and showcase our Indigenous heritage	Community and Cultural Development	Council conducted a targeted workshop with the Aboriginal community and tourism providers as part of the development of the Destination Action Plan and will continue to engage over a series of workshops planned for February. Work continues on the early scoping phases of interpretation and signage plans for Mogo Trails, Narooma Trails and the Coastal Headland Walk. The focus of the interpretation plans being to develop a process to work with Aboriginal stakeholders on opportunities to celebrate and showcase indigenous heritage.	
<b>2.1.2.5</b> Review the Eurobodalla Heritage Strategy	Community and Cultural Development	A review of the Eurobodalla Heritage Strategy has been raised at Heritage Advisory Committee meetings. 2.1.3 - Provide services that meet changing community needs and celebrate our diversity			
Action	Service	Progress Update	Status
<b>2.1.3.1</b> Provide support services for seniors and their carers	Community Care	Council continues to provide community transport, respite and social support services under the grant funded Commonwealth Home Support Program (CHSP) and individual Home Care Packages (HCP) to eligible seniors.  Staff shortages have hampered the service's ability to accept additional HCP clients for support.  Sector support activities include attendance at Health Expo late last year; preparation for the creation of a 'healthy end of life' sub-category in the Community Directory; commencement of the moderator role for the on-line 'Community of Practice' for CHSP services.	
<b>2.1.3.2</b> Facilitate citizenship ceremonies	Community and Corporate Leadership	Council has held two Citizenship ceremonies this year, with 15 residents obtaining Australian citizenship. Invitations have been sent to 18 residents for the next ceremony.	
<b>2.1.3.3</b> Provide Families Week activities	Children Services	Planning has been finalised and events are scheduled for advertising on the web. Families Week activities will occur between 15-21 May 2023.	
<b>2.1.3.4</b> Coordinate Youth Week events	Youth Services	Council's annual Youth Week Community Grants program for 2023 opened on 12 September and closed 31 October 2022. Youth Week 2023 will be celebrated between 20 to 30 April. Nine applications were approved for funding, totalling \$5,400. Funding will assist community led activities and services that will support our community to meet the changing needs of our young people and celebrate diverse opportunities including supports to host a regional swimming carnival, training for volunteers to become qualified sport trainers, purchase of marquees for sport carnivals, sports and canteen equipment for schools to promote healthier lifestyles, and creative art workshops to build confidence, teamwork and social engagement.	

		Council received funding from the NSW Department of Communities and Justice to support Youth Week events for 2023. Council have also commenced planning for another Battle of the Bands community music event scheduled for 22 April.	
<b>2.1.3.5</b> Deliver Children's Week activities	Children Services	Council facilitated five activities for the community to celebrate National Children's week in October with 295 attending across the week, involving 95 families and 13 local services. Council also engaged with 17 community organisations and groups during the week. To end the week Council facilitated 3 performances of The Gruffalo live on stage, with 1,046 tickets sold. The activities included nature discovery walks, scavenger hunts, outdoor storytelling, sing and grow sessions, and the annual Children's Week Fun Day.	
<b>2.1.3.6</b> Provide grant opportunities for community groups to celebrate their diversity	Community Care	Council's annual Community Grants program was conducted, with Seniors Week Festival, Healthy Communities and Youth Week Grants opening on 12 September and closing on 31 October. 43 applications were received, of these 39 were assessed by a review panel as meeting the program requirements. The review panel recommended that 35 eligible applicants be allocated grant funding, totally \$18,912. The successful grants will provide opportunities for our community to develop creative skills, provide engaging opportunities for youth, train volunteers to become qualified coaches, host social and inclusive cultural awareness events, cover transport costs, conduct health and wellness seminars, and purchase equipment to improve access and service delivery.

2.3.3 - Develop and provide early education services and programs that promote learning and development			
Action	Service	Progress Update	Status
<b>2.3.3.1</b> Coordinate the Family Day Care service		Family Day Care continues to provide education and care to children and families across the Eurobodalla. The bush fires and pandemic have impacted on the number of educators and there were 12 educators working in this period. The service has hosted an occupational therapy student from University of Canberra, who worked with educators to develop resources to support emotional regulation in children. Educators attended training in August to support their educational programs and in November attended an Education and Care awards night to celebrate their professionalism throughout the pandemic. All educators were assessed for safety compliance in November.	
<b>2.3.3.2</b> Provide Out of School Hours and Vacation care		The Out of School Hours (OOSH) services have seen an increase in demand over this year. Families using the service have received Government Vouchers of \$500 per child to assist with the cost of childcare. Services have resumed excursions out in the community and have attended the movies, pool, Bay Pavilions, Merinda Cruises, Amber's Cakes and Westpac Helicopter, and Golf Club.  Educators are working longer shifts and unable to take leave due to staff shortages and lack of available casual workers.	
<b>2.3.3.3</b> Deliver grant funded child and family development programs	Children's Services	Council continues to provide seven 3Bs supported playgroups and two PlayStrong playgroups across	

		<p>eight locations in the shire to support families in their role of their child’s first teacher.</p> <p>Playgroups have provided 80 sessions to families with a total of 265 participants. It has facilitated six special excursions including to the beach, botanic gardens, and cultural walks for families. The program also provided a music therapy class for the Wallaga Lake community as part of reconnection and support.</p> <p>The major community event for July - September period was an excursion to the Westpac Rescue Helicopter service. This activity had 126 participants. Activities in the October - December period included Old MacDonald's farm experience, a day at Mogo Zoo, Children's Week Fun Day and Christmas celebrations.</p> <p>Council’s Embracing Participation program has provided seven fortnightly baby/parent groups (56 sessions) to 65 enrolled families. The program worked closely with two families seeking support for their child around learning and development and helped to seek support services. It worked alongside a family with twins who were seeking further support, which included referrals to Tresillian and support to attend our programs. They remain engaged with embracing babies. One further family has also recently enrolled with the program, seeking support to engage with NDIS funding and family support. The program has worked closely with many local services including Community Health, Tresillian, Australian Breastfeeding Association, Campbell Page and Each. The program supports families to seek support services with many of these organisations and supports families to attend information sessions such as speech development talks.</p> <p>Council also facilitated 3 National Aboriginal and Torres Strait Islander Children’s Day events in August with 118 children attending. Both programs participated in the NAIDOC Week activities across the Eurobodalla.</p> <p>Council facilitated 5 activities for the community to celebrate National Children’s Week in October with 295 attending across the week, involving 95 families and 13 services. Council also engaged with 17 community organisations and groups during the week, and to end the week facilitated 3 performances of The Gruffalo live on stage, with 1,046 tickets sold.</p>	
<p><b>2.3.3.4</b> Coordinate and implement the Children's Services Priority Action Plan</p>	<p>Children's Services</p>	<p>The Action Plan has 18 actions of which 8 are being addressed or completed. Council have established a Google group to enable education</p>	

		<p>and care services across the Eurobodalla to communicate and network and have a collaborative approach to addressing the Action Plan. Meetings are held quarterly. The last meeting was held at Sunshine Bay Early Education and Care Centre in November.</p> <p>Council gained funding from the NSW Government to present theatre production of The Gruffalo to schools, preschools and the general public and an Early Education and Care Awards Night for children's services across the Eurobodalla, with 120 attendees from 17 of the 25 Education and Care services across the Eurobodalla.</p> <p>Organisations have collaborated to provide professional development for staff along with providing workshops and presentations for parents on ancillary health and developmental support for children from allied health professionals.</p> <p>Advocacy continues to peak bodies and government for improved pay, access to qualifications and staffing solutions.</p>

<p><b>2.4.4.4</b> Work with the NSW Government to deliver the Eurobodalla Regional Integrated Emergency Services Precinct</p>	<p>Public Order and Safety</p>	<p>The project is progressing, with Council working in collaboration with the following NSW government agencies in the development of the precinct:</p> <ul style="list-style-type: none"> <li>• NSW Rural Fire Service (state planning office, regional office, local office, and Moruya station Incident Management Centre)</li> <li>• NSW Fire and Rescue (zone office and Moruya station)</li> <li>• NSW State Emergency Service (Moruya station, training facilities and office)</li> <li>• NSW Ambulance (Moruya station and office)</li> <li>• Eurobodalla Emergency Operations Centre (Local Emergency Management Committee, agencies and NGOs).</li> </ul>	

		<p>Council has formally engaged Public Works Advisory to commence the land acquisition process for the selected site. This process is underway.</p> <p>Council has received a grant of \$200,000 under the Australian Government Black Summer Bushfire Recovery Program to fund initial costs associated with site investigation and preliminary land acquisition.</p>	
<p><b>2.4.4.5</b> Pursue increased grant funding and undertake fire mitigation program on Council controlled land</p>	<p>Public Order and Safety</p>	<p>Council was awarded \$151,800 from the 2022-2023 NSW Rural Fire Fighting (RFS) Fund Allocations to undertake bush fire mitigation works to improve resilience in our community throughout future fire seasons. Council has claimed \$19,007 from RFS for completed works. Council is on target to complete the objectives of the Bush Fire Risk Management Plan and to maintain Asset Protection Zones by undertaking additional fire mitigation vegetation works involving hand clearing and grooming of Council managed lands.</p>	
<p><b>2.4.4.6</b> Advocate to the NSW and Australian governments to fund improved resilience of local roads and bridges, evacuation centres, water and sewerage systems, power supply, telecommunications and highways</p>	<p>Public Order and Safety</p>	<p>Eurobodalla Critical Infrastructure Resilience Plan has been formulated and forwarded to members of the NSW Ministry and local members for their information and comment. Australian Government funding allocation of \$750,000 provided under the Disaster Ready Fund for Mt Wandera resilience upgrades including power supply, access and asset protection zone improvements. These funds will enable site occupiers to clear the increased Asset Protection Zone and Essential Energy to provide resilient power poles with works to be undertaken during 2023.</p> <p>The Australian Government has also committed \$243,000 under the same Fund for a resilient power line upgrade into the village of South Durras, with works to be undertaken by Essential Energy in 2023.</p> <p>Council will provide permanent onsite generators to Deep Creek water pump station and northern water treatment plant sites with auto-switch over as part of Council's resilience and continuity planning.</p> <p>Negotiations with Essential Energy have now reached agreement in principle to upgrade the resilience of the power lines to the critical water infrastructure and nearby urban centres of Batehaven, Sunshine Bay, Denhams Beach and Surf Beach.</p>	

2.4.5 - Continue to support Eurobodalla's natural disaster recovery			
Action	Service	Progress Update	Status
2.4.5.1 Facilitate the grant-funded recovery service for affected communities	Public Order and Safety	<p>The Eurobodalla Bushfire Recovery Support Service (BRSS) is finalising operations in preparation of closure of the service on 31 January 2023.</p> <p>In line with the "Closing with Care" strategy, the remaining clients are being transitioned to alternate service providers who are equipped and able to support them with residual and / or ongoing needs.</p> <p>The BRSS opened its doors on 3 August 2020 and was one of seven established in disaster declared regions of NSW following the 2019-20 Black Summer Bushfires, jointly funded by NSW and Australian governments.</p> <p>The scope of the service was defined as:</p> <ul style="list-style-type: none"> <li>- Access to early and targeted recovery support to help prevent issues from escalating into crisis;</li> <li>- Access to an individualised, relationship-based and responsive recovery service;</li> <li>- An understanding of the types of support services available and how to access them when needed;</li> <li>- Skills to navigate, access and engage in appropriate recovery services; and</li> <li>- A recovery service that harnesses the specialist skills, reputation, and existing capacity of local community agencies.</li> </ul> <p>The height of the service was within the initial 12 months and during this time the BRSS assisted over 800 households with service highlights including:</p> <ul style="list-style-type: none"> <li>• Supporting clients with access to secondary clean-up of bushfire impacted properties</li> <li>• Black Wattle workshops; assistance with grant applications; liaison with wide variety of agencies</li> <li>• Donations brokerage to clients of over 1600 items via GIVIT including 135 mattresses, bed linen and quilts.</li> <li>• Work with the Minderoo Foundation who supplied 45 pods to assist clients with additional amenity e.g. water tanks etc.</li> <li>• In late 2021, the Wollongong Modern Quilt Guild donated over 190 quilts to residents of Eurobodalla impacted by bushfires, which were exhibited and then distributed.</li> <li>• Assisting 19 clients with pop-up bathrooms supplied by Vinnies</li> </ul>	

		<ul style="list-style-type: none"> <li>• Negotiating and distributing \$100,000 kindly donated by Rotary to around 100 households and individuals still experiencing hardship following the fires.</li> </ul> <p>Surveys completed by clients of the service consistently found that the services and activities taken up by clients were varied and wide-reaching. The most used and helpful were the individual support with a (bushfire recovery) case manager, clean-up support, grant application assistance and financial support from charities.</p>	
<p><b>2.4.5.2</b> Liaise with disaster impacted communities to continue community-led model meetings</p>	<p>Public Order and Safety</p>	<p>Community recovery activities continued in identified key focus areas to provide residents many opportunities. Participation and engagement in resilience building activities, mental health and wellbeing workshops, leadership programs and community-led recovery projects occurred with highlights including:</p> <ul style="list-style-type: none"> <li>* Fire to Flourish. This five-year transdisciplinary program is led by Monash University to work at the intersection of disaster resilience and community development. Working in partnership with four communities across New South Wales and Victoria affected by the 2019/20 Australian bushfire season, Fire to Flourish aims to trial and scale a new model of community-led resilience enabling communities to lead their own recovery, co-create foundations for long-term resilience and wellbeing and disrupt cycles of entrenched disadvantage. 22 community members were selected to form the co-design team and outer support circle and commence training and program design in early 2023.</li> <li>* Regenerate Eurobodalla. This leadership development program is designed to strengthen community resilience to future disasters by bringing together current and emerging local leaders from diverse backgrounds who share an ambition to collaborate in the long-term recovery of their community. 24 participants completed the community co-design leadership program in November 2022.</li> <li>* The Blueprint for a Resilient South East NSW. This project facilitates councils and communities across South East NSW to better prevent, prepare, respond and recover from future disasters and challenges. The vision is for individuals, families, communities and organisations to confidently navigate a changing world. The Canberra Region Joint Organisation is</li> </ul>	

		<p>creating the Blueprint in partnership with councils, community, business, emergency and resilience specialists, and state and federal agencies to embed resilience in decision making. The range and scale of disasters and changes to our climate mean we need new partnerships between government and community, with clear roles and responsibilities for prevention and preparedness.</p> <p>Following consultation and council staff workshop sessions in the first half of the year, the My Resilient Neighbourhood community session was held in October 2022. 43 community members registering to attend with 28 participating on the night. Release of the Blueprint is scheduled for early 2023.</p> <p>The NSW Government funded Community Recovery program and the Community Recovery Officer position will continue until 31 March 2023 with additional community workshops, events and activities including a Community Preparedness Expo to be delivered in the first quarter of 2023.</p>	
<b>2.4.5.3</b> Continue to advocate for funding to further improve functionality and accessibility of Council's designated evacuation centres as designed by the NSW Government	Public Order and Safety	Council continues to advocate and seek additional grant funding for upgrades to the evacuation facilities.	
<b>2.4.5.4</b> Continue to support affected communities with development assessment and heritage support	Development Assessment and Building Certification	<p>Council has received a total of 423 development applications (including modification of existing approvals) lodged for bushfire rebuilds from 1 January 2020 – 31 December 2022.</p> <p>The number of applications that have been determined out of the 423 applications is 368. The average processing time for these applications is 39.8 days.</p> <p>The 368 approvals are made up of over 70 outbuildings, 222 dwelling houses, 25 commercial buildings and 34 alterations and additions to dwellings.</p> <p>A final occupation certificate has also been issued for 121 of the 368 development applications approved.</p>	

## 3. OUR REGION OF VIBRANT PLACES AND SPACES

### 3.1 – BALANCE DEVELOPMENT BETWEEN THE NEEDS OF PEOPLE, PLACE AND PRODUCTIVITY

#### 3.1.1 - Review, prepare and deliver planning instruments that support sustainable social, environmental and economic outcomes as guided by our Local Strategic Planning Statements

Action	Service	Progress Update	Status
<b>3.1.1.1</b> Investigate height controls, housing density and infill potential in town and activity centres (Batemans Bay)	Strategic Planning	Council was unsuccessful in seeking external funding and will commence the project with available internal funding while seeking additional fund. A project plan has been prepared. Requests for quotations for technical studies including density and design, movement and place, economic analysis, and infrastructure adaptation or master planning have been prepared.  The NSW Government will allocate \$300,000 to the Moruya to Batemans Bay cluster to complete its part of the planning review set out in the South East and Southern Tablelands Draft Regional Plan review proposals. The Council will pursue the project over this calendar year to prepare a planning proposal early in 2024.	
<b>3.1.1.2</b> Advocate for funding and support to prepare the Moruya Town Master Plan	Strategic Planning	Council is collaborating with the NSW Government to prepare a Place Strategy that would include Moruya. NSW Government has agreed to commit funds to support technical studies for the Batemans Bay Strategic Cluster Place Strategy.	
<b>3.1.1.3</b> Finalise and adopt the Developer Contributions Plan	Strategic Planning	The Eurobodalla Local Infrastructure Contributions Plan 2022 and Eurobodalla s7.12 Contributions Plan 2022 was adopted by Council at the ordinary meeting on 28 June 2022.	
<b>3.1.1.4</b> Conduct ongoing reviews and update planning controls	Strategic Planning	Council received Gateway Determination to place a planning proposal to reclassify community land to operational land in December 2022. Council provided feedback to the NSW Government about planning reforms for Agritourism and Employment Zones.	

3.1.2 - Provide receptive and responsive development assessment services			
Action	Service	Progress Update	Status
<b>3.1.2.1</b> Assess and determine development applications	Development Assessment and Building Certification	<p>The average processing time for development applications (DAs) and section 4.55 applications (previously section 96) is an average of 64.83 days at 31 December 2022 as compared to 47.39 days as at 31 December 2021.</p> <p>Council has received 495 development applications/modification applications from July 1 to 31 December 2022. This is down 15.5% on last year financial year (586) and down 5% on the four-year average (521).</p> <p>The total number of applications determined from July 1 to 31 December 2022 is 471 applications. This is down 5% on the last financial year (495) and is down 1.5% on the four-year average (478).</p> <p>Council received 1,155 planning (10.7) certificates from 1 July to 31 December 2022, with 78% processed in less than two days; 18% processed in two to four days and 3.4% processed in more than four days (note days include weekends).</p> <p>The turnaround time for DA processing has increased, when compared to 2021, due to the complexity and delays experienced with the NSW Planning Portal together with the lack of staff resources which is being experienced by local governments across NSW.</p>	
<b>3.1.2.2</b> Assess and determine construction certificates	Development Assessment and Building Certification	Council received and determined 9 construction certificates between 1 July to 31 December 2022. Council has one full time building surveyor and a part time contractor.	
<b>3.1.2.3</b> Determine complying development applications	Development Assessment and Building Certification	Council received 6 complying development certificates and determined 1 between 1 July to 31 December 2022.	
<b>3.1.2.4</b> Provide certification inspection services	Development Assessment and Building Certification	Council carried out 1,056 building and plumbing inspections from 1 July to 31 December 2022 including 829 plumbing inspections and 227 certification inspections. The majority of these were carried out within 24 hours of the initial request.	
<b>3.1.2.5</b> Build awareness and capacity about sustainable design among developers, homeowners and builders	Development Assessment and Building Certification	Staff vacancies in the development services area has led to a shortfall of resources attending to the core duties of processing development applications, inspections, and customer enquiries. There have been no additional resources available to cover the shortfall. Information and updates pertaining to this are often included in Council's biannual Planning and	

		Building newsletter to the development community and are also referenced in Council's yearly Builder's Forum meetings.	
<b>3.1.2.6</b> Provide pre-lodgement advice and assistance to applicants	Development Assessment and Building Certification	Council had 37 formal pre-lodgement meetings with (potential) applicants from July 1 to December 31, 2022. There were 27,571 email enquiries or requests and 13,660 email responses provided. There were also 7,412 phone calls received with a total of 48,643 interactions with the public concerning development matters over the period.	
<b>Measure</b>		<b>July to December 2022</b>	
Number of construction certificates issued		9	
Number of development assessments determined		471	
Number of development assessments processed		471	
Number of development assessments received		495	
Percentage of inspection carried out within 24 hours of request		90%	

<b>3.1.3 - Work in partnership to encourage and facilitate greater housing diversity and affordability</b>			
<b>Action</b>	<b>Service</b>	<b>Progress Update</b>	<b>Status</b>
<b>3.1.3.1</b> Advocate to the NSW Government on housing supply, diversity and affordability in the region	Strategic Planning	Advocacy continues through various arms of Council. The Mayor has written directly to the Premier of NSW in particular in relation to the levels of homelessness in the North Head Campground. A draft of the Regional NSW Housing Delivery Plan was provided to staff with an opportunity for feedback.	
<b>3.1.3.2</b> Develop a housing strategy with a focus on addressing affordability	Strategic Planning	Council undertook analyses of Eurobodalla's population and housing supply and demand. Stakeholders and community members were invited to complete a survey about local housing issues and opportunities.	
<b>3.1.3.3</b> Monitor the supply of and demand for residential land through the land monitor	Strategic Planning	The land supply demand monitor was used as supporting evidence for Eurobodalla's Local Housing Strategy.	

## 3.2 – SUPPORT DIVERSIFIED INDUSTRY AND THRIVING BUSINESSES

### 3.2.1 - Collaborate with other service providers for business to invest, diversify and grow guided by the Economic Development Strategy

Action	Service	Progress Update	Status
<b>3.2.1.1</b> Facilitate and advocate for assistance and resources to local businesses	Economic Development	<p>Activities completed as part of NSW Small Business Month in November included a workshop with the Industry Capability Network (ICN) to position local businesses for procurement opportunities. ## 3.4 – CELEBRATE OUR UNIQUE REGION THROUGH INCLUSIVE PLACES AND SPACES

### 3.4.1 - Plan and deliver functional and inclusive public spaces

Action	Service	Progress Update	Status
<b>3.4.1.1</b> Work with key stakeholders to develop and implement place activation for towns and villages	Strategic Planning	Work continuing but not meeting initial timelines due to available resources fully committed to other projects.	
<b>3.4.1.2</b> Advocate for funding to review land use plans	Strategic Planning	Council successfully advocated for funding to support the Eurobodalla Housing Strategy. Council was not successful in receiving the funding for the Bateman's Bay Densification project to review building heights and planning controls to facilitate higher density housing in Batemans Bay. Council will continue to work on this project with current budget and continue to seek support. The NSW Department of Planning has indicated support to work with Council on a master planning process for Moruya Town Centre as part of the bridge re-alignment and regional hospital investment.	
<b>3.4.1.3</b> Seek support and funding to prepare a Moruya Town Masterplan in conjunction with bypass and regional hospital	Strategic Planning	Discussions have begun between Council staff and senior officers from the Department of Planning on the scope and engagement process and framework for the Batemans Bay Strategic Cluster Place Strategy.	

<p><b>3.4.1.4</b> Work with key stakeholders to develop and implement recreation and open space plans and projects</p>	<p>Recreation</p>	<p>Projects and engagement have included:</p> <ul style="list-style-type: none"> <li>• Meetings with the Moruya Showground Management Committee regarding designs for the upgrade to the showground bar and canteen</li> <li>• Interviews with Riverside Park key stakeholders as part of the development of its Plan of Management.</li> <li>• Engagement with the Tilba Village Business Chamber and local school for the upgrade of the Tilba playground</li> <li>• Working closely with sporting clubs for sportsground related grant applications and project design features</li> <li>• Working with community and contracted lifeguards and identified disability advocacy bodies (including Accessible Beaches Australia and Get Skilled Access) to improve beach accessibility at seven locations across the shire.</li> </ul>	
<p><b>3.4.1.5</b> Develop plans of management for developed and undeveloped Crown Reserves</p>	<p>Property</p>	<p>Locale Consulting have been engaged to prepare the Plan of Management for Riverside Park and Ryans Creek Reserve. Initial internal consultation and interviews with key identified stakeholders have been completed in the current early development stage of this plan. Wider community consultation will take place early in 2023.</p> <p>Due to resourcing restraints, no further progress has been made on the generic plans of management for developed and undeveloped Crown Reserves.</p>	

<p><b>3.4.2 - Implement the Batemans Bay Waterfront Master Plan and Activation Strategy</b></p>			
Action	Service	Progress Update	Status
<p><b>3.4.2.1</b> Investigate opportunities to improve open spaces for events</p>	<p>Strategic Planning</p>	<p>Council continues to ensure events spaces on Council land are adequately maintained and prepared for upcoming events. Council continues to develop Plans of Management and obtain development applications for open spaces to assist in event approval efficiencies.</p>	
<p><b>3.4.2.2</b> Investigate options and feasibility to widen the Murra Mia Walkway to a high quality promenade board walk</p>	<p>Strategic Planning</p>	<p>Council was not successful in achieving the funding to support this project, and the work will not be undertaken this year.</p>	
<p><b>3.4.2.3</b> Seek funds to undertake detailed design and construction for Waterfront Square</p>	<p>Strategic Planning</p>	<p>Council needs to continue to advocate for funding to be able to deliver the entire project.</p>	
<p><b>3.4.2.4</b> Support traders to have active shopfronts onto the street</p>	<p>Strategic Planning</p>	<p>Extensive consultation undertaken with the Batemans Bay Rotary Club regarding the relocation of the Sunday markets (held twice a</p>	

		month) to the waterfront in Clyde Street. All Sunday trading businesses in the CBD approached to gain support and drive traffic from the markets to local businesses.

### 3.4.3 - Provide distinctive, innovative and consistent signage and interpretation that promotes our unique features guided by the Wayfinding and Signage Strategy

Action	Service	Progress Update	Status
<b>3.4.3.1</b> Review relevant signage policies and practices	Tourism	The Town Signs Policy was repealed at the November Council meeting as the Tourism Wayfinding and Signage Strategy and the Signage Style Guide provide for signage policies and best practice models. Council is producing a draft for community interpretation and signage requests as part of a larger interpretation framework project.	
<b>3.4.3.2</b> Install signage at Durras, Dalmeny, Kianga, Nelligen and Tuross Head	Tourism	All signs installed. However, Dalmeny and Nelligen signs to be relocated at later date.	
<b>3.4.3.3</b> Conduct a tourism product audit to identify key attractions and locations for appropriate tourist signage	Tourism	Resource not available for the year due to staff vacancy.	
<b>3.4.3.4</b> Seek funding to continue the implementation of the Wayfinding and Signage Strategy	Strategic Planning	Council has been successful in securing \$120,000 from the NSW Government's Stronger Country Communities Fund – Round 5 for phase two of the Eurobodalla Tourism Wayfinding Signage Project.	
<b>3.4.3.5</b> Continue inclusive place naming and accessible signage for community spaces	Strategic Planning	Interpretation signage that includes dhurga language was installed at Observation Point. Council continued to investigate opportunities to use dhurga language for the Coastal Headland Walk including naming and interpretation. Council designed and arranged manufacture of the 'Our Friends' information signage at Moruya Bridge, in support of the Moruya Business Chamber. Dhurga language appears in the story.	
<b>Measure</b>		<b>July to December 2022</b>	
Number of town signs installed		4	

3.4.4 - Provide a Regional Botanic Garden of Excellence			
Action	Service	Progress Update	Status
<b>3.4.4.1</b> Enhance visitor experience via events, education programs and facilities	Commercial Entities	The Regional Botanic Garden hosted a number of events including a photographic exhibition, sculpture exhibition and live music. A spring Bioblitz which engaged the public to assist in flora and fauna surveys of the site was a popular event that contributed to the national wildlife survey and will establish that Garden as a local base for regular citizen science programs. The Garden also hosted a late-night Christmas shopping evening and a regional tourism networking event. All activities aimed to enhance visitor experience and increase the diversity of visitors. Considerable planning for a range of events for 2023 also occurred.	
<b>3.4.4.2</b> Coordinate the established volunteer network to support the Eurobodalla Regional Botanic Garden	Commercial Entities	Two new volunteer inductions took place adding an additional six volunteers to the garden workforce. A Christmas social event was held to reward and acknowledge volunteer contributions. Garden horticultural and maintenance staff carried out some safe work method statement refreshers for volunteers and planning was done to develop more training workshops for our Visitor Services volunteers. Over this period volunteers worked 6,799 hours, an increase of 2.4% on the same period last year.	
<b>3.4.4.3</b> Review the Botanic Garden Strategic Plan	Commercial Entities	During this period considerable work was carried out on developing a draft for the Garden's next Strategic plan that will cover 2023 - 2027. The review is behind schedule due to lack of resources and inability to find a cost effective or experienced contractor.	
<b>Measure</b>		<b>July to December 2022</b>	
Visitation numbers at the Eurobodalla Regional Botanic Garden		20,674	

## 4. OUR CONNECTED COMMUNITY THROUGH RELIABLE AND SAFE INFRASTRUCTURE NETWORKS

### 4.1 – PROVIDE INTEGRATED AND ACTIVE TRANSPORT NETWORKS TO ENABLE A CONNECTED AND ACCESSIBLE EUROBODALLA

#### 4.1.1 - Plan for an integrated and active local transport network, guided by the NSW Government's Future Transport 2056 Strategy

Action	Service	Progress Update	Status
<p><b>4.1.1.1</b> Plan for a safe, efficient and integrated transport network that meets current and future needs</p>		<p>Council's vision is to ensure a safe, accessible, integrated, and resilient transport network that provides for the efficient and effective movement of people and goods, and to activate and support our growing permanent and visitor population and economy.</p> <p>Our existing transport network is well managed and underpinned by:</p> <ul style="list-style-type: none"> <li>i) taking a strategic whole of network and route approach, rather than a project specific approach</li> <li>ii) a well-established road hierarchy directly linked to current and planned growth</li> <li>iii) a strong focus on saving lives and reducing road related trauma through implementation of the Eurobodalla Road Safety Plan 2019-22</li> <li>iv) sound asset and risk management including integration of resilience outcomes</li> <li>v) strategic integration of multiple projects through advanced route planning and extensive re-use of materials to accelerate delivery of route and network outcomes</li> <li>vi) integration of active transport through implementation of the adopted Eurobodalla Pathways Strategy 2017</li> <li>vii) a strong focus on improving connectivity, walkability and liveability of our towns and</li> </ul>	

		<p>villages, particularly within our commercial business districts and where major routes pass through our villages</p> <p>A Transport Network Plan has already been prepared for the northern area of Eurobodalla Shire which focusses on the major growth corridor between Batemans Bay and Moruya plus Cullendulla Drive (servicing Long Beach and Maloneys Beach) and Durras Drive (servicing South Durras) in the north of the Eurobodalla. The Northern Area Transport Network Plan (NATNP) is available on Council's website.</p> <p>Council is now continuing to prepare a Transport Network Plan for the Southern Area of Eurobodalla which will undergo a further consultation process with both internal and external stakeholders prior to final endorsement by Council.</p>	
<b>4.1.1.2</b> Provide traffic management planning	Transport	<p>During the period, Council:</p> <ul style="list-style-type: none"> <li>Reviewed four Traffic Management Plans for special events</li> <li>Assisted in the ongoing development of NSW Government funded Moruya Bypass.</li> </ul>	
<b>4.1.1.3</b> Coordinate the Local Traffic Committee	Transport	Six Traffic Committee meetings were held. Five meetings are planned for the remainder of the year.	
<b>4.1.1.4</b> Advocate for improved public transport including compliance with NSW Disability Standards for accessible public transport	Transport	<p>Council worked with Transport for NSW and Community Transport to re-establish the Eurobodalla Transport Working Group. The first meeting is scheduled for 18 January 2023.</p> <p>Members to include but not limited to:</p> <ul style="list-style-type: none"> <li>Council - various departments</li> <li>Transport for NSW</li> <li>Bus companies in Eurobodalla Shire</li> <li>Taxi companies</li> </ul>	
<b>4.1.1.5</b> Provide community transport services	Community Care	Community Transport is slowly returning to pre Covid numbers as far as trips and clients are concerned. We are experiencing a rise in demand from other Home Care Package providers as more and more people progress from Commonwealth Home Support funded services onto Home Care packages.	

Measure	July to December 2022
Number of Local Traffic Committee meetings	6
Number of Community Transport trips	4,239
Number of Community Transport volunteer hours provided	4,736 hours

4.1.2 - Advocate for improved and resilient transport services and infrastructure			
Action	Service	Progress Update	Status
4.1.2.1 Partner with peak bodies to advocate for improved local transport services and infrastructure	Transport	<p>Council continues to advocate for improved funding for local and regional roads.</p> <p>During the period, Council:</p> <ul style="list-style-type: none"> <li>• Worked with Transport for NSW (TfNSW) and the Department of Health (Infrastructure) on proposed Moruya bypass and integration with new regional hospital and regional emergency services precinct</li> <li>• Worked with the South East Australian Transport Strategy Inc (SEATS) to advocate on transport priorities for the Eurobodalla, including upgrades to the Princes Highway (highway duplication and bridge upgrades) and improved resilience works</li> <li>• Attended Institute of Public Works Engineering Australasia (IPWEA) South East Regional Meeting (14 October 2022) and Forum (1 December 2022).</li> <li>• Prepared a draft of the Southern Area Transport Network Plan for consultation with internal and external stakeholders.</li> <li>• Commenced preparation of Council submission on TfNSW's Draft South East and Tablelands Regional Transport Plan.</li> </ul>	
4.1.2.2 Seek funding to maintain and improve the local and regional transport network	Transport	<p>Council have been awarded \$377,960 under the Fixing Local Roads Pothole Repair Program to assist with additional corrective maintenance after the recent large scale wet weather event. This will allow Council the financial ability to address community concerns in shorter timeframes and help keep our community and visitors to the Eurobodalla safe as they drive our local and regional roads, in accordance with Council's 2019-2022 Road Safety Plan. It should be noted that the delivery of this work has a limited timeframe and that Council does not have sufficient internal resources to deliver and will have to engage contractors to deliver this work.</p> <p>Council have also sought funding, and are awaiting outcomes for:</p> <ul style="list-style-type: none"> <li>• \$5.89M funding under the Fixing Country Roads Program for roundabout upgrades at Broulee Road and George Bass Drive, Broulee and Sylvan Street/Kuppa Road and George Bass Drive, Malua Bay; Tomago River Bridge assessment and cathodic protection at Short Creek Bridge, Caseys Beach and Kianga Bridge.</li> </ul>	

		<ul style="list-style-type: none"> <li>• \$2M under the Australian Government Blackspot Program for roundabout upgrades at Broulee Road and George Bass Drive, Broulee.</li> <li>• \$2.7M under the Infrastructure Betterment Fund for Araluen Road and North Head Drive embankment stabilisation.</li> </ul>

4.1.3 - Provide safe and reliable local and urban roads, guided by the asset management plan			
Action	Service	Progress Update	Status
4.1.3.1 Maintain the local and urban road network	Transport	High levels of rainfall over the last 12 months, including declared natural disasters, continue to have an impact on the road network with numerous potholes and pavement failures necessitating urgent repairs. Council is working to progressively address these failures with longer term repairs. The wet weather and challenges with tight labour markets and resourcing has resulted in an increased backlog of defects and planned works.	
4.1.3.2 Build and renew the local and urban road network	Transport	Resourcing constraints and the requirement to complete grant funded works will impact on the ability of Council to complete all planned projects on the local and urban road network. The following projects will be deferred (either completely or in part) until next financial year. <ul style="list-style-type: none"> <li>• George Bass Drive Pavement Rehabilitation, Surf Beach \$400,000</li> <li>• Merinda Street reconstruction, Malua Bay \$270,000</li> <li>• River Road Upgrade, Nelligen \$627,000</li> </ul>

## 5. OUR ENGAGED COMMUNITY WITH PROGRESSIVE LEADERSHIP

### 5.1 – ACKNOWLEDGE OUR SHARED RESPONSIBILITY THROUGH AN INFORMED COMMUNITY

#### 5.1.1 - Proactively provide clear, accessible, timely and relevant information to support and inform the community

Action	Service	Progress Update	Status
5.1.1.1 Manage Council's website	Communications	<p>Website content updates were reviewed and approved daily, and web editors provided with ongoing training and guidance to improve the content of the pages they are responsible for. This includes corporate, the Bas and Regional Botanic Garden sites. An upgrade to our content management system provided access improvements for web editors.</p> <p>A new staff intranet was launched in July, aimed at making resources more easily available, and providing a single source of truth. New single sign-on capability makes intranet access easy and efficient, particularly for staff in field and working from home.</p>	
5.1.1.2 Prepare and distribute media releases	Communications	Media releases were prepared and distributed to local and regional media outlets and to stakeholders like state and federal representatives and local community associations.	
5.1.1.3 Manage media enquiries	Communications	Media queries were received from local, regional and national media outlets, with most responded to within a day. In addition to informal queries, Council responded to 147 formal media queries.	
5.1.1.4 Manage social media channels	Communications	<p>There are three corporate social media accounts: Facebook, Instagram and YouTube. On average Council posts four to five Facebook posts and two Instagram posts each week. Videos are uploaded to YouTube on an ad hoc basis.</p> <p>Facebook is a strong communications platform between Council and the community with 17,542 followers. Each month the corporate Facebook page posts are seen by 45,000 to 50,000 personal, business and group accounts, and experience between 15,000 to 20,000 engagements.</p>	

		<p>Council's corporate Instagram page has 2,531 followers and YouTube account has 158 followers.</p> <p>All platforms continue to show an increase in followers, with Facebook posts experiencing a strong surge in engagement and reach in the second quarter of 2022-23. Plans are underway to include LinkedIn as part of Council's social media suite.</p>	
<p><b>5.1.1.5</b> Design Council's communications, signage and promotional materials in line with brand and accessibility requirements</p>	Communications	<p>Projects for the first two quarters included: Village signs for Dalmeny, Kianga, Tuross Head and Nelligen; signs for the North Broulee dune with local Landcare; decals for new CleanAway trucks; interpretive signs for the Moruya Library and Bas native garden; a styleguide for interpretive signage; signage scope for the coastal headland walking trail; Mayor's Writing Competition anthology and competition certificates; Basil Sellers Art Prize catalogue and collateral, sign for Rosedale footbridge in collaboration with community, various promotional posters and flyers, wayfinding at the Eurobodalla Regional Botanic Garden, an interpretive sign at Russ Martin Park in collaboration with community, signs for the Aboriginal Heritage Walk at Botanic Garden, signs for Observation point, changes made to corporate collateral to improve accessibility are larger font sizes, avoiding small body copy and light fonts, adhering to web content accessibility guidelines (WCAG) colour contrast ratios. Work is underway to update the corporate style guide and templates to refresh the brand and incorporate accessibility requirements.</p>	
<p><b>5.1.1.6</b> Prepare and publish 'Living in Eurobodalla' newsletter</p>	Communications	<p>The first edition of the 2022-23 calendar year was distributed to households in July. The print newsletter has undergone a significant redesign – with a newsier look and content – and expansion, from four pages to eight pages.</p> <p>There was no second quarter edition of Living In Eurobodalla, with staff shortages disrupting production. A one-off January delivery edition was produced instead. Regular production will resume in 2023, with editions aligned with the seasons: Mar-May, Jun-Aug, Sep-Nov, Dec-Feb.</p>	
<p><b>5.1.1.7</b> Manage Council's electronic newsletters</p>	Communications	<p>Council News is the organisation's monthly corporate email newsletter that continues to exceed industry standards, with open rates around 65 percent compared to the average of 19 per cent for government electronic newsletters.</p>	

		<p>Other electronic newsletters are distributed by Council: Arts Information Exchange, Business Update, Library News, Bushfire Recovery, Builders and Developers, the Bas, Children's Services Update, Community Care, Recreation Matters, Tourism News, What's On in Eurobodalla.</p> <p>Bushfire Recovery and Recreation Matters both ended in the second quarter, the former as the Bushfire Recovery Office at Moruya was closed at the end of the project and the latter due to reconsideration of the best use of resources.</p>	
<b>5.1.1.8</b> Using Council's platforms, provide information for the community about the role of elected representatives	Communications	<p>Councillor representation is promoted by way of social media posts advertising upcoming Council meetings – including Public Access and Public Forum – with links to the business paper and agenda highlights – these are also shared with local media; post-meeting Mayoral video shared on social media summarising meeting outcomes; a monthly Mayoral Message is distributed to media outlets highlighting timely issues including advocacy work; organisation and promotion of monthly Councillor Catch-up sessions.</p>
