

Water efficient washing machine rebate program

Council is offering a \$150 rebate to customers who purchase a 4.5-star or higher water rated washing machine and install it at a property connected to Eurobodalla's town water.

The program aims to reduce water demand and help protect our unique environment. By installing a water efficient washing machine you can reduce your water bill too.

To claim a rebate read the terms and conditions, purchase your washing machine and send in your completed application form with supporting documents to either:

- Eurobodalla Shire Council, PO Box 99, Moruya NSW 2537, or
- council@esc.nsw.gov.au

Terms and conditions

- The washing machine must be installed at a property connected to Council's water supply
- The washing machine must have a water rating of 4.5 stars or higher as approved by the WELS scheme
- The washing machine must have been purchased during the last six months
- A tax invoice must be provided stating:
 - your name
 - a delivery address in Eurobodalla or a Eurobodalla retail store address
 - the washing machine make and model
 - a \$0 balance owing
- Applicants who do not own the property where they have installed the washing machine must provide proof of residence eg copy of driver's licence or a lease agreement
- Applicants must be willing to undergo an audit by Council to ensure the washing machine is installed as specified in the application
- Rebate recipients cannot reapply within seven years of their last application
- Council reserves the right to reasonably deny any application

Payment

Your rebate will be paid by electronic funds transfer into your nominate bank account within 60 days of receipt of your application

Timeframe

The program may be altered or cancelled at any time

Business operators

Commercially rated properties connected to Council's water supply may apply for a total of three washing machine rebates. The total water efficient rebates paid will not exceed \$2000 per property.
