

AGENDA

Extraordinary Meeting of Council

17 December 2020

**EXTRAORDINARY MEETING OF COUNCIL
TO BE HELD VIA ZOOM**

ON THURSDAY 17 DECEMBER 2020

COMMENCING AT 2.00PM

AGENDA

(Proceedings of this meeting will be recorded as per Eurobodalla Shire Council's Code of Meeting Practice)

- 1. WELCOME**
- 2. ACKNOWLEDGEMENT OF COUNTRY**
- 3. APOLOGIES**
Nil
- 4. DECLARATIONS OF INTEREST OF MATTERS ON THE AGENDA**
(Declarations also to be made prior to discussions on each item)
- 5. NOTICES OF MOTION**
NOM20/009 Lease of Batemans Bay Community Centre 2

Page No.

**DR CATHERINE DALE
GENERAL MANAGER**

NOM20/009 LEASE OF BATEMANS BAY COMMUNITY CENTRE

Land ID: 29439

Responsible Officer: Anthony Mayne - Councillor

Attachments: Nil

Councillor Anthony Mayne has given notice that at the Extraordinary Meeting of Council on Thursday 17 December 2020, he will move the following motion.

MOTION

THAT the decision to lease out the Batemans Bay Community Centre (BBCC), as per the CCS20/054 Motion of 8 December 2020, be rescinded and that Council resolves to maintain the BBCC as currently being operated; with a review of those operations and functions being undertaken after the completion of the Batemans Bay Aquatic, Arts and Leisure Centre.

BACKGROUND

Council was approached with an unsolicited offer to lease out the BBCC. Due to the classification, Council was not required to seek public submissions. However, Council received a number of submissions from the community. With the exception of the two potential leases, there appeared to be nil submissions that supported the lease.

As a community we have come through a great deal together throughout 2020. We have faced fires, floods, recession and a pandemic together. We supported each other as a community. At the heart of our mutual support and resilience is a sense of mateship. A sense of mutual care, respect and keeping an eye out for each other. The BBCC provides a central location for 15 community groups to utilise a purpose built facility that is owned by the community. When the community was asked through submissions about the prospect of a lease, they clearly said no to the lease.

While the concept of a lease of the BBCC has been on the table to help offset the cost of the BBAAC, there was an understanding that the community would be offered a like for like to rent rooms at the BBAAC when it was completed. There seems to be a level of misunderstanding as to this point. This point will require clarification as part of the Rescission Motion.

While Council has sought to work with the 15 community groups which will be displaced should the BBCC be leased, there has been no facilitated engagement process with our community. Due to the classification, the engagement has been about facilitating the process of moving on these impacted community groups. This has been unfortunate and has caused a level of angst within the groups in question.

Following such an extraordinary and challenging year, rather than imposing change on our community in Batemans Bay, Council has the opportunity to engage with all the key stakeholders to find a viable way forward. A way forward which encompasses a transparent and meaningful consultation process that helps build and enhance our community on the South Coast.

EUROBODALLA SHIRE COUNCIL

ETHICAL DECISION MAKING AND CONFLICTS OF INTEREST

A GUIDING CHECKLIST FOR COUNCILLORS, OFFICERS AND COMMUNITY COMMITTEES

ETHICAL DECISION MAKING

- Is the decision or conduct legal?
- Is it consistent with Government policy, Council's objectives and Code of Conduct?
- What will the outcome be for you, your colleagues, the Council, anyone else?
- Does it raise a conflict of interest?
- Do you stand to gain personally at public expense?
- Can the decision be justified in terms of public interest?
- Would it withstand public scrutiny?

CONFLICT OF INTEREST

A conflict of interest is a clash between private interest and public duty. There are two types of conflict: Pecuniary – regulated by the *Local Government Act* and Department of Local Government; and Non-Pecuniary – regulated by Codes of Conduct and policy, ICAC, Ombudsman, Department of Local Government (advice only).

THE TEST FOR CONFLICT OF INTEREST

- Is it likely I could be influenced by personal interest in carrying out my public duty?
- Would a fair and reasonable person believe I could be so influenced?
- Conflict of interest is closely tied to the layperson's definition of "corruption" – using public office for private gain.
- Important to consider public perceptions of whether you have a conflict of interest.

IDENTIFYING PROBLEMS

- 1st** Do I have private interests affected by a matter I am officially involved in?
- 2nd** Is my official role one of influence or perceived influence over the matter?
- 3rd** Do my private interests conflict with my official role?

Whilst seeking advice is generally useful, the ultimate decision rests with the person concerned.

AGENCY ADVICE

Officers of the following agencies are available during office hours to discuss the obligations placed on Councillors, Officers and Community Committee members by various pieces of legislation, regulation and Codes.

CONTACT	PHONE	EMAIL	WEBSITE
Eurobodalla Shire Council Public Officer	4474-1000	council@eurocoast.nsw.gov.au	www.esc.nsw.gov.au
ICAC	8281 5999	icac@icac.nsw.gov.au	www.icac.nsw.gov.au
Local Government Department	4428 4100	dlg@dlg.nsw.gov.au	www.dlg.nsw.gov.au
NSW Ombudsman	8286 1000 Toll Free 1800 451 524	nswombo@ombo.nsw.gov.au	www.ombo.nsw.gov.au

Reports to Committee are presented generally by 'exception' - that is, only those items that do not comply with legislation or policy, or are the subject of objection, are discussed in a report.

Reports address areas of business risk to assist decision making. Those areas include legal, policy, environment, asset, economic, strategic and financial.

Reports may also include key planning or assessment phrases such as:

Setback Council's planning controls establish preferred standards of setback (eg 7.5m front; 1m side and rear);

Envelope taking into account the slope of a lot, defines the width and height of a building with preferred standard of 8.5m high;

Footprint the percentage of a lot taken up by a building on a site plan.

Acronym	Meaning	Description
ACR	Australian Capital Region	The political and strategic grouping of the ACT government and 17 adjacent councils.
AEP	Annual Exceedance Probability	For floods expressed as a % eg 1% = 1:100 year event. The NSW Flood Guidelines nominate types of development and controls.
AHD	Australian Height Datum	Floor levels for buildings set to remain at or above flood level (expressed as 'freeboard').
APZ	Asset Protection Zone	Area to be cleared and maintained around habitable buildings in bushfire prone areas.
AS	Australian Standard	Standards set by national body as minimum construction, service, system, planning or design requirements.

Acronym	Meaning	Description
BCA	Building Code of Australia	Prescribes minimum standards or performance base for building construction.
CAMP	Companion Animal Management Plan	Required by state law, plan nominating management of dogs and cats and areas for access for the exercise of dogs (eg beaches and reserves).
CC	Construction Certificate	Floor plans approved by council or private certifier in compliance with development conditions and BCA.
COPW	Condition of Public Works Report	Required by state law to define the condition of infrastructure assets, the cost to upgrade to defined standards, the current costs of maintenance and desired levels of maintenance.
CP	Cultural Plan	A cultural plan enables identification of cultural assets, identity and needs as well as providing a framework to develop cultural initiatives to increase opportunities for residents.
CSR	Complaint and Service Request	Requests received from public by phone, letter, email or Councillor to attend to certain works (eg pothole) or complain of certain service or offence (eg dogs barking).
DA	Development Application	Required by state law to assess suitability and impacts of a proposed development.
DAP	Disability Action Plan	Council plan outlining proposed works and services to upgrade facilities to progressively meet Disability Discrimination Act.
DCP	Development Control Plan	Local planning policy defining the characteristics sought in residential, commercial land.
DECCW	Department of Environment, Climate Change and Water (formerly EPA, NPWS, DEC)	State agencies (former Environment Protection and National Parks), DNR managing state lands and natural resources and regulating council activity or advising on development applications.
DWE	Department of Water and Energy	State agency managing funding and approvals for town and country water and sewer services and State energy requirements.
DoP	Department of Planning	State agency managing state lands and regulating council activity or advising on development applications or strategic planning.
DLG	Department of Local Government	State agency responsible for regulating local government.
DoL	Department of Lands	State agency managing state lands and advising on development applications or crown land management.
DoC	Department of Commerce	State agency (formerly Public Works) managing state public water, sewer and buildings infrastructure and advising/supervising on council infrastructure construction.

Acronym	Meaning	Description
DoH	Department of Health	State agency responsible for oversight of health care (community and hospital) programs. Also responsible for public warning of reportable health risks.
DOTAR	Department of Infrastructure, Transport and Regional Development and Local Government	Federal agency incorporating infrastructure, transport system, and assisting regions and local government.
EBP	Eurobodalla Bike Plan	Strategic Plan identifying priorities and localities for cycleways in the Shire.
EIS	Environmental Impact Statement	Required for designated and state developments researching and recommending solutions to social, economic and environmental impacts.
EMP	Estuary Management Plan	Community based plan, following scientific research of hydrology and hydraulics, recommending actions to preserve or enhance social, economic and environmental attributes of estuary
EMS	Environmental Management System	Plans prepared by council (such as waste management and strategic planning) around AS14000.
EOI	Expressions of Interest	Often called in advance of selecting tenders to ascertain capacity and cost of private sector performing tasks or projects on behalf of council.
EP&A	Environment Planning & Assessment Act	State law defining types of development on private and public lands, the assessment criteria and consent authorities.
ESC	Eurobodalla Shire Council	
ESD	Ecologically Sustainable Development	Global initiative recommending balance of social, economic and environmental values in accord with 7 ESD principles.
ESS	Eurobodalla Settlement Strategy	Council strategy prepared with assistance of government to identify best uses and re-uses of urban lands, the appropriate siting of private and public investment (eg institutions, employment areas or high density residential) based on current and planned infrastructure and land capacity.
ET	Equivalent Tenement	Basis of calculation of demand or impact of a single dwelling on water and sewer system.
FAG	Financial Assistance Grant	Federal general purpose grant direct to local government based on population and other 'disability' factors.

Acronym	Meaning	Description
FSR	Floor Space Ratio	A measure of bulk and scale, it is a calculation of the extent a building floor area takes up of an allotment.
GIS	Geographic Information System	Computer generated spatial mapping of land and attributes such as infrastructure, slope, zoning.
IPART	Independent Pricing & Regulatory Tribunal	State body that reviews statutory or government business regulatory frameworks and pricing levels.
IPWEA	Institute Public Works Engineers Australia	Professional association.
IWCMS	Integrated Water Cycle Management Strategy (or Plan)	Council plan identifying risk and social, economic and environmental benefit of proposed augmentation to water, sewer and stormwater systems.
IWMS	Integrated Waste Management (Minimisation) Strategy	Council plan identifying risk and social, economic and environmental benefit of proposed augmentation of waste (solids, effluent, contaminated, liquid trade waste).
LEP	Local Environment Plan	The statutory planning instrument defining the zones and objectives of urban and rural areas.
LGAct	Local Government Act	State law defining the role of Mayor, Councillors, staff, financing, approvals etc.
LGMA	Local Government Managers Australia	Professional association.
LGNSW	Local Government NSW	Representative advisory and advocacy group for councils in NSW.
MOU	Memorandum of Understanding	Agreement in principle between parties (eg council and agency) to achieve defined outcomes.
NPWS	National Parks & Wildlife Service	Now merged into DECCW.
NRM	Natural Resource Management	
NVC	Native Vegetation Act 2003	State law defining means of protection of threatened legislation and approval processes to clear land.
OC	Occupation Certificate	Issued by council or private certifier that building is safe to occupy and in compliance with development conditions and BCA.
OSMS	On site sewage management system	Includes septic tanks, aerated systems, biocycles etc.
PCA	Principal Certifying Authority	The person or organisation appointed by applicant to inspect and certify structures.

Acronym	Meaning	Description
PIA	Planning Institute of Australia	Professional association.
POEO	Protection of the Environment Operations Act	State law outlining standards for emissions and discharges and penalties for pollution.
PoM	Plan of Management (usually for community land)	Council plan nominating type of uses for community land and range of facilities progressively to be provided on land.
PPP	Public Private Partnerships	
PTS	Public Transport Strategy	Council strategy to initiate mechanisms to promote and facilitate public transport (bus, taxi, community transport, cycles) in design of subdivisions, developments and council works.
REF	Review of Environmental Factors	Council examination of risk and social, economic and environmental benefit of proposed works, assessed against state planning, environment and safety laws.
REP	Regional Environment Planning Policy	Outlines compulsory state planning objectives to be observed in development assessment and strategic planning.
RFS	Rural Fire Service	State agency responsible for providing equipment and training for volunteer firefighter brigades, and the assessment and approval of developments in bushfire prone lands.
RLF	Regional Leaders Forum	The group of mayors and general managers representing the councils in the ACR.
RMS	Roads & Maritime Service	State agency responsible for funding, construction and maintenance of state roads, the approval of council works on arterial roads and development applications.
S64	S64 Contributions Plan	Developer contributions plan to enable, with council and state funds, the augmentation of water, sewer and stormwater infrastructure.
S94 S94A	S94 Contributions Plan S94A Contributions Plan Levy Plan	Developer contributions to enable construction of public infrastructure and facilities such as roads, reserves, carparks, amenities etc.
SCG	Southern Councils Group	Political and strategic grouping of councils along the NSW south coast from Wollongong to the border, lobbying government for assistance (eg highways) and resourcing sharing initiatives.
SCRS	South Coast Regional Strategy	Regional Strategy prepared by DoP for ESC, BVSC and part SCC to guide new LEPs.

Acronym	Meaning	Description
SEA	Strategic Environment Assessment	Spatial assessment of environmental constraints of land considered in design and assessment of subdivision and infrastructure. Scientific research behind assessment of capacity of land and waterways in rural residential and urban expansion lands to sustain human settlement.
SEPP	State Environmental Planning Policy	Outlines compulsory state planning objectives.
SNSWLHD	Southern NSW Local Health Districts	State board commissioned with oversight of health care in Highlands, Monaro and Far South Coast.
SoER	State of the Environment Report	Required by state law, the comprehensive assessment (every four years) of the condition and the pressures on the social, economic and environmental features of the Shire and appropriate responses to address or preserve those issues.
SP	Social Plan	Required by state law, the comprehensive assessment (every four years) of the condition and the pressures on the social framework of the community, their services and facilities and economic interactions.
.....SP	Structure Plan	Plan promoting landuses and siting of infrastructure and facilities in towns (eg, BBSP – Batemans Bay Structure Plan).
SRCMA	Southern Rivers Catchment Management Authority	State agency commissioned with assessment and monitoring of health and qualities of catchments from Wollongong to the border, and determine directions and priorities for public and private investment or assistance with grants.
STP	Sewer Treatment Plant	Primary, secondary and part tertiary treatment of sewage collected from sewers before discharge into EPA approved water ways or irrigation onto land.
TAMS	Total Asset Management System	Computer aided system recording condition and maintenance profiles of infrastructure and building assets.
TBL	Triple Bottom Line	Commercial term coined to encourage business to consider and disclose social and environmental risk, benefit and costs in the conduct of business to guide investors as to the long term sustainability and ethics of a business. Taken up by Council to record the basis of prioritisation, the review of condition, the monitor of progress and the financial disclosure of preventative or maintenance investment in council based social and environmental activities.
ToR	Terms of Reference	
TSC	Threatened Species Conservation Act 1995	State law governing the protection of nominated species and relevant assessment and development controls.

Acronym	Meaning	Description
WCF	Water Cycle Fund	Combination of water, sewer and stormwater activities and their financing arrangements.
WSUD	Water Sensitive Urban Design	Principle behind the IWCMS and council development codes requiring new developments to reduce demand and waste on water resources through contemporary subdivision and building design.
