

kyla park sporting precinct master plan

This master plan is based on consultation with the community and user groups. It presents a concept to guide future planning over the next 20 years and is subject to detailed design work. It is impossible to implement everyone's ideas; however Council has sought to find the best solution where the community has been divided on issues, particularly for youth facilities.

kyla park sporting precinct master plan

In the tables below Council has outlined and prioritised the communities concern and requests that arose during the preliminary consultation phase. This forms the basis for the supporting master plan. Council will aim to have high priority items funded and delivered within a four year planning cycle in line with its adopted Management Plan or Delivery Program. Requests that are outlined in the plan but fall outside the high priority category may be funded by the community at any time provided they fund the initial capital costs and enter into an ongoing maintenance agreement with Council.

consultation activities undertaken to inform the master plan

- Public drop in sketch session
- Meetings with Hall
- Discussions with community members
- Written Submissions

what you told us	councils response	priority	what you told us	councils response	priority
 Sports Field <ul style="list-style-type: none"> Retain/upgrade existing facilities Expand to another oval 	Council will continue to fill the site adjacent to the oval and Hector McWilliam Drive to create additional level open grassed space for possible future field expansion	Medium (within 5-10yr period)	 Parking and Access <ul style="list-style-type: none"> Entrance off Hector McWilliam Drive to be improved 	Council will upgrade the entrance to Kyla Park off Hector Mc William Drive	Medium (within 5-10yr period)
 Grandstand <ul style="list-style-type: none"> Grandstand 	Current and predicted future use does not warrant need for development of a grandstand. Possibility to incorporate seating around hill that overlooks oval.		 Insufficient Parking <ul style="list-style-type: none"> Insufficient Parking Parking 45 degrees along roadway 	Council supports the sealing of the tennis court car park as indicated on the Master Plan. Council does not support the development of further open space as parking. The current informal parking arrangements are deemed suitable.	Medium (within 5-10yr period)
 Toilets <ul style="list-style-type: none"> Relocate to be accessible for tennis 	Possible renewal of existing toilets in current location. Central accessible location. Would incorporate ESD skylights etc. May, depending on sporting use at the time, incorporate change rooms and kiosk facilities.		 Signage – entrance/throughout reserve <ul style="list-style-type: none"> Proper signposting 	As a prominent recreation reserve Council supports an upgrade to the entrance signage to Kyla Park and consistent signage throughout the site.	Medium (within 5-10yr period)
 Community Garden	Council supports the development of a community garden in line with relevant Council Policies. Appropriate land, as indicated on the Master Plan will need to be recategorised and a licence established	High (within 4yr period)	 Dog Off Leash Area	Councils Companion Animals Management Policy and accompanying maps outline dog off leash areas within the Shire. Coila Beach is a 24hour off leash area and the cycleway and Coila Lake southern side foreshore are 24hr leashed areas.	
 Youth Facilities <ul style="list-style-type: none"> Informal BMX Circuit Some indicated they would like a skate park at the site while others disagreed. 	Councils Recreation and Open Space Strategy identifies a need for youth facilities in the Tuross Area however the recommended solution is to install skate spots along the cycleway, allowing for passive surveillance and ease of access for youth.		 Netball and Basketball <ul style="list-style-type: none"> Keep and expand netball court. Incorporate basketball and netball together 	Council supports the integration of basketball and netball and the installation of a basketball hoop on the side of the current netball court. Expansion of netball court is not deemed warranted at this time due to low use.	High (within 4yr period)
 Fitness Circuit <ul style="list-style-type: none"> Installation of a fitness circuit 	Council supports the installation of a fitness circuit in Tuross along the cycleway at regular intervals rather than at the Kyla Park Sporting Precinct.		 Rebound Wall <ul style="list-style-type: none"> Rebound wall for tennis, soccer, handball, basketball 	Council supports the installation of a rebound wall as indicated on the Master Plan	Low (greater than 10 years)
 Boat Ramp <ul style="list-style-type: none"> Jetty Boat ramp access to be improved 	Maintain existing facility. Tuross is well supplied with boat ramps, further additions are not supported at this time.		 Cricket Nets <ul style="list-style-type: none"> Upgrade existing 	Council will replace the existing cricket nets in their current location	High (within 4yr period) Grant funded
 Natural Environment <ul style="list-style-type: none"> Plant Trees in groves 	Kyla Park is valued for its open space aspects and as such Council does not support the planting of trees in groves.		 Crime prevention through Environmental Design <ul style="list-style-type: none"> Inclusion of wooden bollards or equivalent to prevent or lessen access of vehicles to oval 	Council staff have not reported significant damage in relation to vehicle access to the fields and as such the cost to fence or bollard the fields is not deemed appropriate at this time.	
 Regeneration works <ul style="list-style-type: none"> Environment – region for natural wildlife 	Council will work with appropriate groups to undertake appropriate regeneration and environmental works that do not impinge on open space		 Solar Lighting for hall and surrounds	Solar lighting to the outside of buildings will be investigated and pursued where appropriate in future development	
 Tennis Courts <ul style="list-style-type: none"> Retain and upgrade existing 	In accordance with the Recreation and Open Space Strategy Council will work with the Tennis Club to develop a Business Management Plan	High (to complete 2011)	 Formal Communal Spaces <ul style="list-style-type: none"> Construction of a Gazebo, Rotunda and/or Amphitheatre 	These types of formal communal facilities need to be supported by high demand and use which only comes in regional parks such as Riverside Park in Moruya.	
 Horse Riding <ul style="list-style-type: none"> Designated horse riding track/area 	Horse riding is recognised as a legitimate recreational activity and Council supports the use of open space at Kyla Park for this activity as indicated on the Master Plan.		 Ancillary <ul style="list-style-type: none"> Installation of seating, bins and taps in appropriate locations 	Council supports installation of appropriate ancillary items as required	
 Men's Shed	In accordance with the Local Government Act 1993 Council does not provide for exclusive use of community facilities. Men's Sheds generally exist in conjunction with School or Churches.		 Artwork and Sculptures <ul style="list-style-type: none"> To create interest at the site 	Council supports the installation of public art in line with relevant Council policy and supported by appropriate community consultation	
 Playground <ul style="list-style-type: none"> Retain and upgrade existing Separate toddlers park 	Maintain the existing facility. Councils Recreation and Open Space Strategy does not support development of an additional playground facility in the Tuross area given the availability of alternate facilities.
