Dear Peter

I would like to thank you for taking the time and effort to contribute to the public forum at the Ordinary Meeting of Council on Tuesday 23 February 2016. Contributions to public forum are a welcome insight into the views of our local community.

You discussed two issues in the public forum and as you would be aware, Council resolved the two matters as follows:

NOM16/002 Traffic Flow Throughout Eurobodalla During Holiday Season

THAT:

- 1. Eurobodalla Shire Council convene a meeting between NSW Roads and Maritime Services, NSW Police and all other relevant agencies, with a view to improving traffic flow throughout the Eurobodalla during peak holiday seasons.*
- 2. Council use the outcomes of this meeting to assist in future planning of the Princes and Kings Highways.*

PSR16/001 Adoption of Rural Lands Strategy

THAT Council:

- 1. Adopt the Rural Lands Strategy attached to report PSR16/001 with the exception of those sections and recommendations related to the use of a Native Vegetation Overlay.*
- 2. Endorse the preparation of a planning proposal to implement the recommendations of the Strategy as amended (by 1 above) and that such planning proposal be forwarded to the Department of Planning and Environment for a Gateway Determination prior to community consultation.*
- 3. Thank the Rural Lands Strategy Steering Committee for their hard work and commitment throughout the process of developing the Rural Lands Strategy and present the planning proposal referred to above to the members of the Rural Lands Steering Committee for their information.*
- 4. Thank persons who made submissions to the draft Strategy and those who otherwise contributed throughout the process.*

THAT the Native Vegetation overlay be included in a code and referenced in relevant Development Control Plans as recommended by the Rural Lands Strategy Steering Committee.

Council came to these decisions after fully debating the proposals and I thank you once again for making the effort to contribute to Council meetings on such an important issue. Please don't hesitate to contact me on 4474 1308 if you wish to discuss these matters further.

Yours sincerely

Catherine Dale
