

# Comics Plus

## Online comics, graphic novels and manga!

Comics Plus is a new online resource providing unlimited access to thousands of digital comics, graphic novels, and manga. Every title is available 24 hours a day, 7 days a week, on your computer, tablet or phone—no holds or wait lists required. Plus, new titles are added every week. Access to Comics Plus is completely free, you only need a library membership to access all that Comics Plus has to offer.

Logging in members can select either the Children's, Teen, or Adult collection. When logged into the Children's Collection or Teen Collection via the app or website, only age appropriate content is visible and the site/app remains logged into this collection.

Comics Plus Children's Library is suitable for ages 3-10 years.

Teen Collection is suitable for 15-18 years.

Full collection features all of the titles from the Children's and Teen collections, plus more mature content with some titles featuring violence, nudity and strong themes.

For more information on the collection content, refer to the [Comics Plus Age-Appropriate Guidelines](#).

## Comics Plus Full Collection (18+ years)

The full collection includes diverse range of popular and award-winning titles for every age range and interest,

### Teen Collection (15-18 year olds)

### Comics Plus Children's Library (3-14 years)

**Comics Plus also offers a Children's Library** where younger readers have unlimited, simultaneous access to thousands of age-appropriate digital comics, manga, learn to read books and picture books. Just like the full collection, the Comics Plus Children's Library is available on computers, tablets, and phones and there are no holds, wait lists, or monthly borrowing limits.

## **Getting started**

Access to Comics Plus is completely free with your library membership.

Access Comics Plus through the library website or download the Comics Plus app.

Not currently a library member? No problem! Our helpful library staff can help you to sign up so that you can enjoy the huge variety of library resources that are available. So what are you waiting for?
