- ❖ 120 members
- ❖ Around 2000 facebook followers
- ❖ \$20k grant for Mogo kids MTB project
- ❖ \$3k grant for defibrillator

Our vision – what we want to see

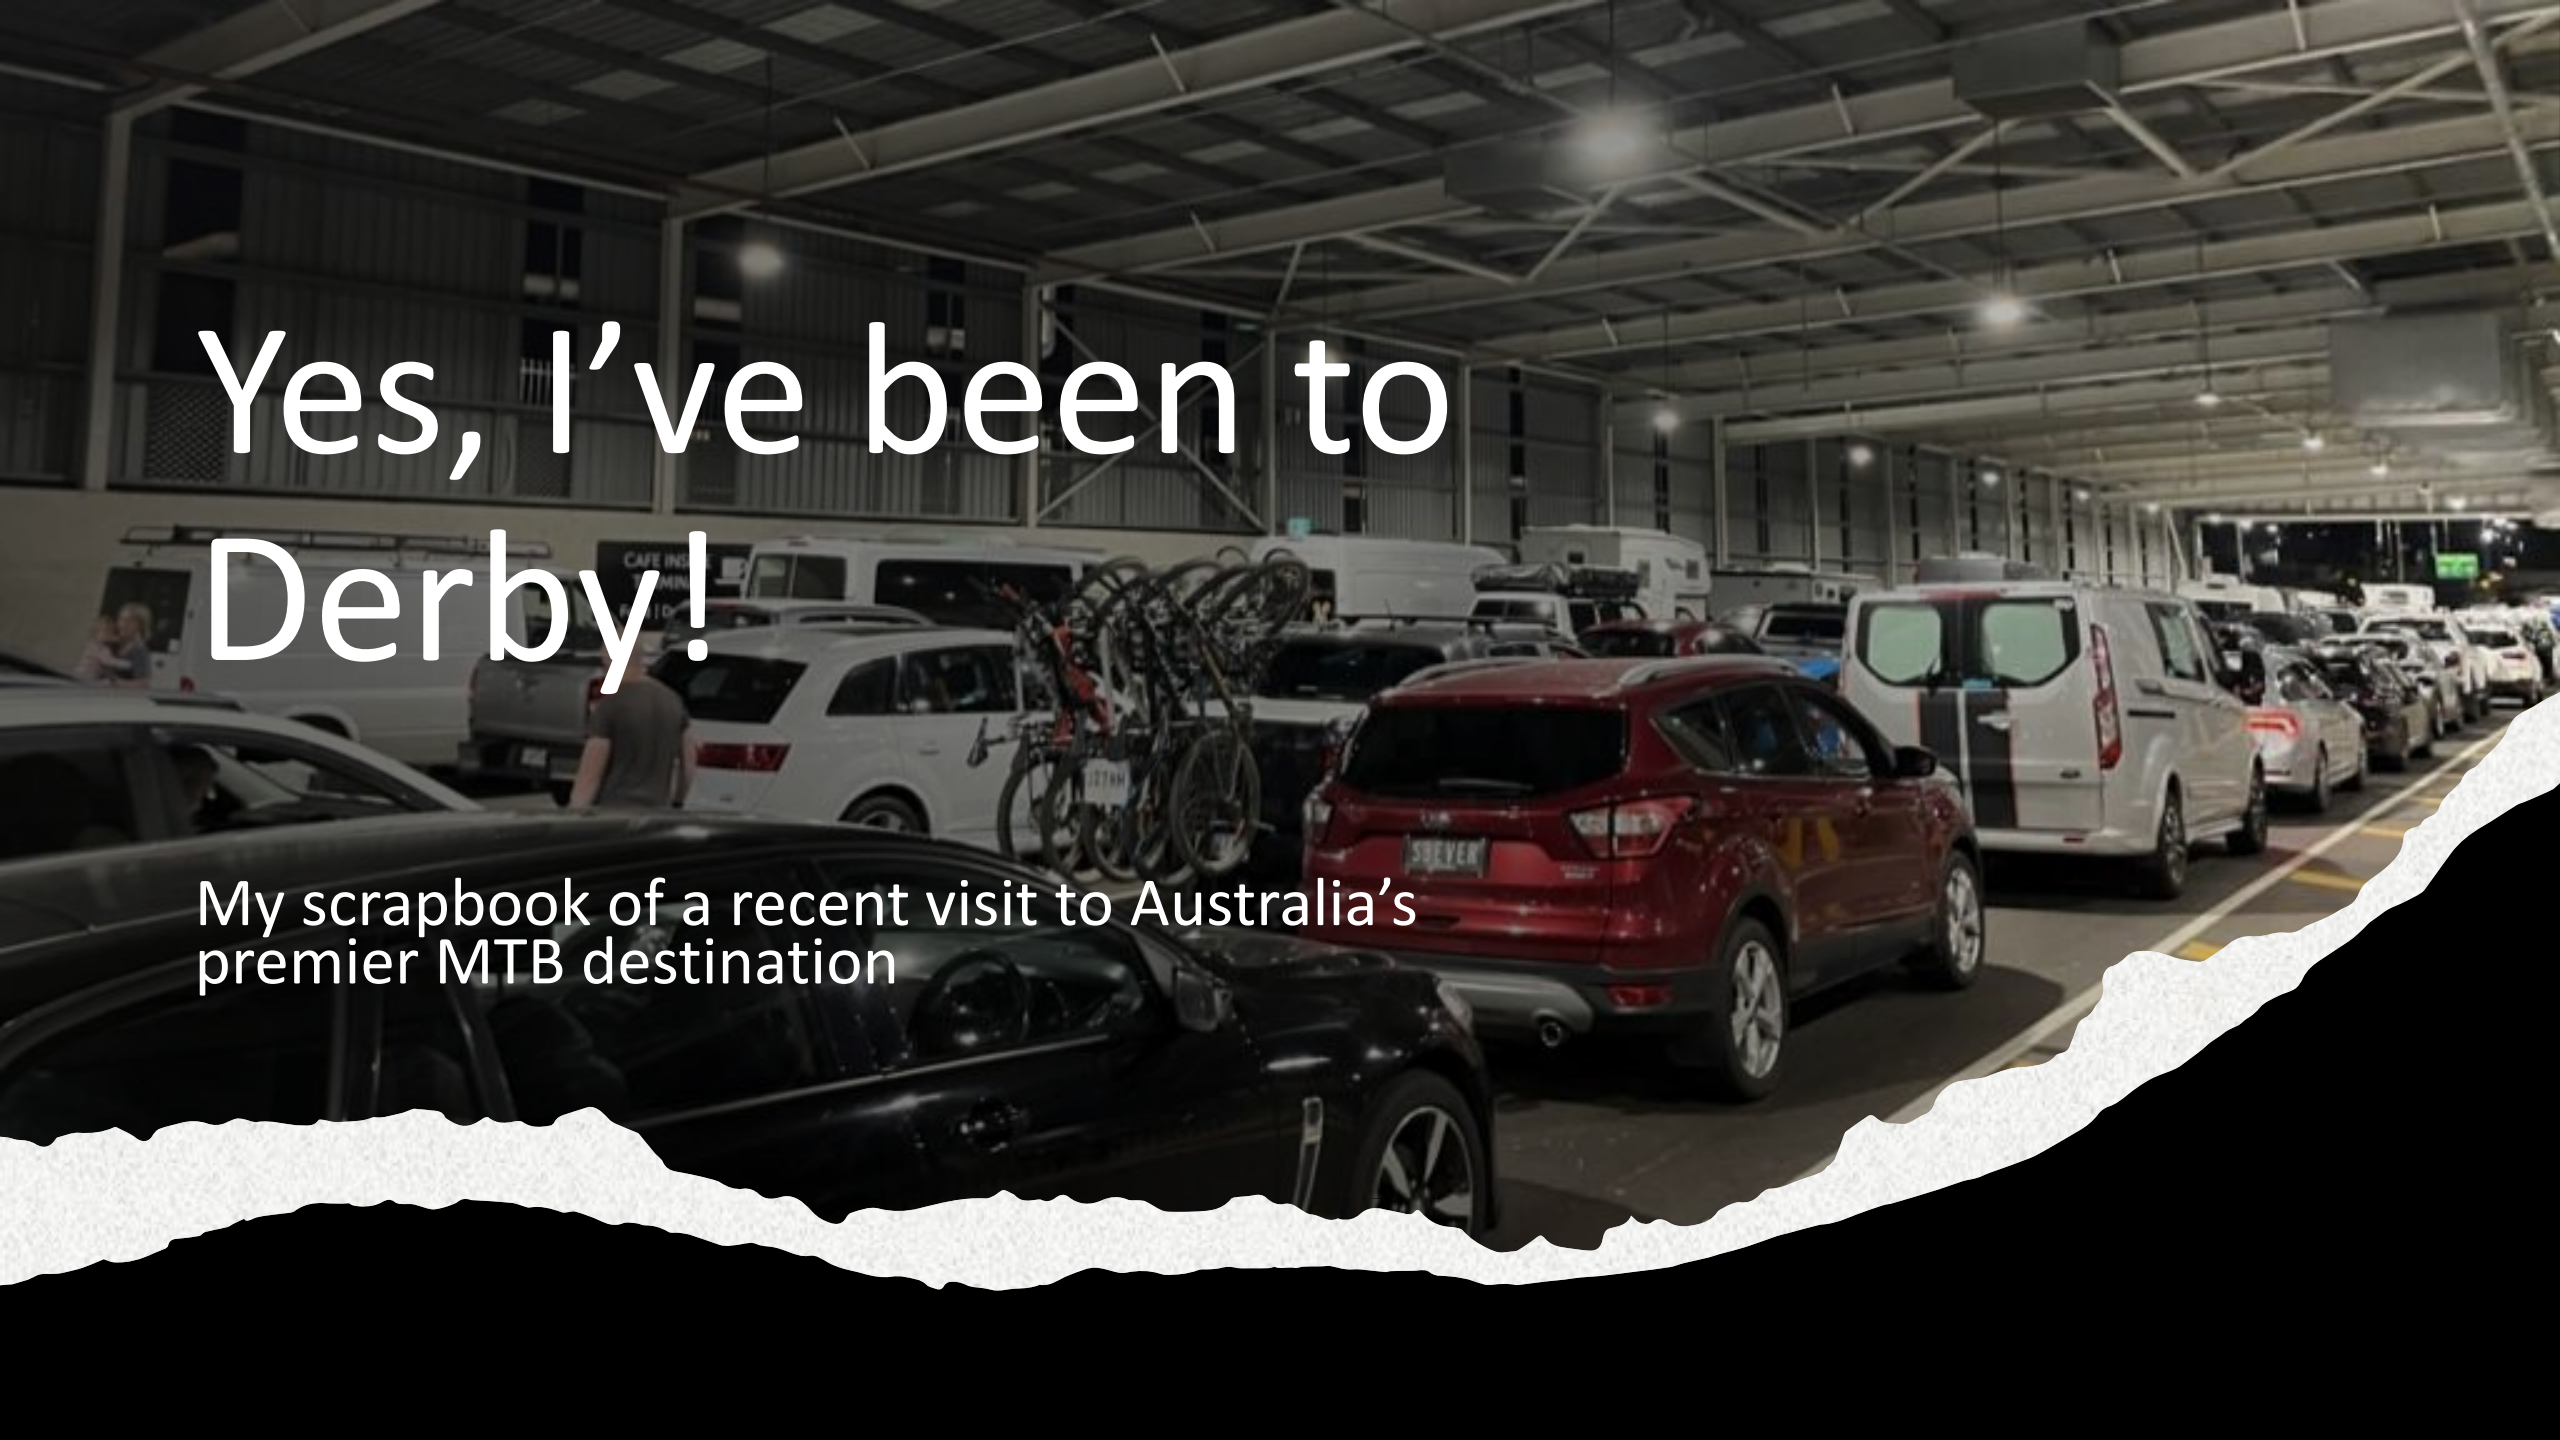

MTB riding is as commonplace and widespread as water-based activities for locals and visitors in the Batemans Bay community. Alongside other south coast destinations, Batemans Bay is known far and wide as a premier MTB hub, with a vibrant MTB-oriented community of riders, businesses and organisations.

Our mission – our role in bringing that vision into being

The club supports the whole community - individuals, schools, businesses and organisations - engage with MTB riding by creating opportunities to ride, to connect and to develop MTB riding in the area.

Yes, I've been to Derby!

My scrapbook of a recent visit to Australia's
premier MTB destination
