**All Pecuniary Interest declaration forms must be completed in full.**

Pecuniary Interest declaration forms are designated as open access information under the *Government Information (Public Access) Act 2009* (GIPA Act) and *Government Information (Public Access) Regulation 2018*, and therefore will be published on Council's website and made available for public inspection at our offices.

#### Redaction of personal information (from public register)

Completed Pecuniary Interest Declaration forms may contain personal information about you, and potentially about third parties, such as family members. You may have concerns about disclosing this information publicly. Privacy provisions in the GIPA Act (section 14), *Local Government Act 1993* (LG Act) and *Privacy and Personal Information Protection Act 1998* (PPIP Act), allow the redaction of certain information from the forms made available in the public register. (See relevant sections from these Acts at the end of this form).

✓ **Your residential address and signature will automatically be redacted from your Pecuniary Interest declaration form that is made available on the public register.** This information will be redacted because signatures and residential addresses are considered to be personal information (section 14 GIPA Act); and because disclosing your place of living would place your personal safety, or the personal safety of members of your family, at risk (section 739 LG Act); or would affect the safety or well-being of you or your family members (section 58 PPIP Act).

If you have concerns about disclosure of information **other than** your signature and residential address, please complete the section below, and we will consider whether it should be redacted under relevant legislation.

#### Redaction of additional information (from public register), other than signature and residential address

✓ ☒ I request that my Annual Return of Disclosure of Interests and Other Matters that is available, or is to be made available, for public inspection by or under the *Local Government Act 1993*, the Model Code of Conduct for Local Councils, the *Government Information (Public Access) Act 2009*, the *Government Information (Public Access) Regulation 2018*, and any Guidelines issued by the Information Commissioner NSW, be prepared or amended so as to omit or remove any matters, other than my signature and residential address, as follows:

Information to be omitted:	Position in Corporation
Reason for information to be omitted:	My husband's Super fund - Not relevant.

**GOVERNMENT INFORMATION (PUBLIC ACCESS) ACT 2009**

**Section 6 Mandatory proactive release of certain government information**

(4) An agency must facilitate public access to open access information contained in a record by deleting matter from a copy of the record to be made publicly available if inclusion of the matter would otherwise result in there being an overriding public interest against disclosure of the record and it is practicable to delete the matter.

**Section 14 Public interest considerations against disclosure**

There is a public interest consideration against disclosure of information if disclosure of the information could reasonably be expected to have one or more of the following effects—

**: 3 Individual rights, judicial processes and natural justice**

(a) reveal an individual's personal information

(f) expose a person to a risk of harm or of serious harassment or serious intimidation

**: 4 Business interests of agencies and other persons**

(d) prejudice any person's legitimate business, commercial, professional or financial interests

**LOCAL GOVERNMENT ACT 1993**

**Section 739 Protection of privacy**

(1) A person may request that any material that is available (or is to be made available) for public inspection by or under this Act be prepared or amended so as to omit or remove any matter that would disclose or discloses the person's place of living if the person considers that the disclosure would place or places the personal safety of the person or of members of the person's family at risk.

**PRIVACY AND PERSONAL INFORMATION PROTECTION ACT 1998**

**Section 58 Suppression of personal information**

(1) A person about whom personal information is contained (or proposed to be contained) in a public register may request the public sector agency responsible for keeping the register to have the information:

(a) removed from, or not placed on, the register as publicly available, and

(b) not disclosed to the public.

(2) If the public sector agency is satisfied that the safety or well-being of any person would be affected by not suppressing the personal information as requested, the agency must suppress the information in accordance with the request unless the agency is of the opinion that the public interest in maintaining public access to the information outweighs any individual interest in suppressing the information.

(3) Any information that is removed from, or not placed on, a public register under this section may be kept on the register for other purposes.
