

## Design a bookmark

Young Eurobodalla Libraries members aged 12 years and under are invited to participate in our first ever bookmark design competition.

We want you to design a bookmark with the theme 'Choose Your Own Library Adventure!' Think of the types of adventures you can learn about at the library. These could be wild animal adventures, outer space adventures, under sea adventures, travel adventures, or cooking adventures to name a few – the only limit is your imagination.

We will pick three winners – one from each library branch – to make a collectible set. Each winner will receive an awesome book pack.

**Who:** library members aged 12 years and under.

**When:** enter by 28 November 2022.

**How:** create your design in the space provided on this form. Make sure a parent or guardian signs it.

**Where:** drop your entry to your local Eurobodalla Library branch.
