

● Batemans Bay Town Centre Structure Plan

A Structure Plan for the Town of Batemans Bay

This document was prepared by:

Strategic Services Unit

Eurobodalla Shire Council

© 2008

Acknowledgements

A thank you is extended to the community of Eurobodalla who contributed by attending the community consultations and open days and sending in submissions to the draft framework Structure Plan. Also the Batemans Bay Chamber of Commerce and Business Development Board for their contribution to the formation and directions within the plan. Special thanks to the steering committee for contributing their knowledge and insights over the course of the project.

Sub-Consultants

Whitelaw Associates Pty Ltd

Graphic Design
Bjarni Wark (Bj2design)

Acknowledgement for contribution to the draft structure plan by:
Pittendrigh Shrinkfield Bruce
Architects Johannsen and Associates
Certain Planning
GHD Pty Limited (Nowra)

Acknowledgement for graphic elements
Cities Taskforce Department of Planning

Public Exhibition

The plan was subject to extensive public consultation 2006-07. This provided numerous opportunities for the public to advise staff of their views and put formal submissions to Council. The Draft Plan is available at Council's offices in Moruya and on the web at www.esc.nsw.gov.au under planning and development. Electronic copies of the plan are available on CD on application to the Shire office.

contents

Table of Content

Book 1 Strategy	9
