SPECIAL PURPOSE FINANCIAL STATEMENTS for the year ended 30 June 2014

Special Purpose Financial Statements

for the financial year ended 30 June 2014

Contents	Page
1. Statement by Councillors & Management	2
2. Special Purpose Financial Statements:	
Income Statement - Water Supply Business Activity Income Statement - Sewerage Business Activity Income Statement - Other Business Activities	3 4 5
Statement of Financial Position - Water Supply Business Activity Statement of Financial Position - Sewerage Business Activity Statement of Financial Position - Other Business Activities	6 7 8
3. Notes to the Special Purpose Financial Statements	9
4. Auditor's Report	18

Background

- (i) These Special Purpose Financial Statements have been prepared for the use by both Council and the Division of Local Government in fulfilling their requirements under National Competition Policy.
- (ii) The principle of competitive neutrality is based on the concept of a "level playing field" between persons/entities competing in a market place, particularly between private and public sector competitors.
 - Essentially, the principle is that government businesses, whether Commonwealth, State or Local, should operate without net competitive advantages over other businesses as a result of their public ownership.
- (iii) For Council, the principle of competitive neutrality & public reporting applies only to declared business activities.
 - These include **(a)** those activities classified by the Australian Bureau of Statistics as business activities being water supply, sewerage services, abattoirs, gas production and reticulation and **(b)** those activities with a turnover of over \$2 million that Council has formally declared as a Business Activity (defined as Category 1 activities).
- (iv) In preparing these financial statements for Council's self classified Category 1 businesses and ABS defined activities, councils must (a) adopt a corporatisation model and (b) apply full cost attribution including tax equivalent regime payments & debt guarantee fees (where the business benefits from councils borrowing position by comparison with commercial rates).

Special Purpose Financial Statements

for the financial year ended 30 June 2014

Statement by Councillors and Management

made pursuant to the Local Government Code of Accounting Practice and Financial Reporting

The attached Special Purpose Financial Statements have been prepared in accordance with:

- The NSW Government Policy Statement "Application of National Competition Policy to Local Government".
- The Division of Local Government Guidelines "Pricing & Costing for Council Businesses -A Guide to Competitive Neutrality".
- The Local Government Code of Accounting Practice and Financial Reporting.
- The NSW Office of Water (Department of Environment, Climate Change and Water) Guidelines -"Best Practice Management of Water and Sewerage".

To the best of our knowledge and belief, these Financial Statements:

- Present fairly the Operating Result and Financial Position for each of Council's declared Business Activities for the year, and
- Accord with Council's accounting and other records.

We are not aware of any matter that would render these Statements false or misleading in any way.

Signed in accordance with a resolution of Council made on 28 October 2014.

L Brown

MAYOR

R Pollock OAM **DEPUTY MAYOR**

Notes to the Special Purpose Financial Statements

for the financial year ended 30 June 2014

Note 1. Significant Accounting Policies

These financial statements are a Special Purpose Financial Statements (SPFS) prepared for use by Council and the Office of Local Government.

For the purposes of these statements, the Council is not a reporting not-for-profit entity.

The figures presented in these special purpose financial statements, unless otherwise stated, have been prepared in accordance with:

- the recognition and measurement criteria of relevant Australian Accounting Standards,
- other authoritative pronouncements of the Australian Accounting Standards Board (AASB) &
- Australian Accounting Interpretations.

The disclosures in these special purpose financial statements have been prepared in accordance with:

- the Local Government Act and Regulation, and
- the Local Government Code of Accounting Practice and Financial Reporting.

The statements are prepared on an accruals basis, based on historic costs and do not take into account changing money values nor current values of non-current assets (except where specifically stated).

Certain taxes and other costs (appropriately described) have been imputed for the purposes of the National Competition Policy.

National Competition Policy

Council has adopted the principle of 'competitive neutrality' to its business activities as part of the national competition policy which is being applied throughout Australia at all levels of government.

The framework for its application is set out in the June 1996 Government Policy statement on the "Application of National Competition Policy to Local Government".

The "Pricing & Costing for Council Businesses A Guide to Competitive Neutrality" issued by the Office of Local Government in July 1997 has also been adopted.

The pricing & costing guidelines outline the process for identifying and allocating costs to activities and provide a standard of disclosure requirements. These disclosures are reflected in Council's pricing and/or financial reporting systems and include taxation equivalents; council subsidies; return on investments (rate of return); and dividends paid.

Declared Business Activities

In accordance with *Pricing & Costing for Council Businesses - A Guide to Competitive Neutrality,* Council has declared that the following are to be considered as business activities:

Category 1

(where gross operating turnover is over \$2 million)

a. Eurobodalla Water Supply

Comprising the whole of the operations and net assets of the water supply systems servicing the Shire of Eurobodalla, each of which are established as separate Special Rate Funds.

b. Eurobodalla Sewerage Fund

Comprising the whole of the operations and net assets of the sewerage reticulation & treatment system servicing the Shire of Eurobodalla, which is established as a separate Special Rate Fund.

c. Batemans Bay Resort

Caravan Park operated on Crown Reserve. Operated by contractor and owned by Council.

Category 2

(where gross operating turnover is less than \$2 million)

Council has no Category 2 Business Activities

Monetary Amounts

Amounts shown in the financial statements are in Australian currency and rounded to the nearest one thousand dollars, with the exception of some figures disclosed in Note 2 (Water Supply Best Practice Management Disclosures) and Note 3 (Sewerage Best Practice Management Disclosures).

As required by the NSW Office of Water (Department of Primary Industries) the amounts shown in Notes 2 and Note 3 are disclosed in whole dollars.

Notes to the Special Purpose Financial Statements for the financial year ended 30 June 2014

Note 1. Significant Accounting Policies

(i) Taxation Equivalent Charges

Council is liable to pay various taxes and financial duties in undertaking its business activities. Where this is the case, they are disclosed in these statements as a cost of operations just like all other costs.

However, where Council is exempt from paying taxes which are generally paid by private sector businesses (such as income tax), equivalent tax payments have been applied to all Council nominated business activities and are reflected in these financial statements.

For the purposes of disclosing comparative information relevant to the private sector equivalent, the following taxation equivalents have been applied to all council nominated business activities (this does not include council's non-business activities):

Notional Rate Applied %

Corporate Income Tax Rate - 30%

<u>Land Tax</u> – The first **\$412,000** of combined land values attracts **0%**. From \$412,001 to \$2,519,000 the rate is **1.6%** + **\$100**. For the remaining combined land value that exceeds \$2,519,000, a premium marginal rate of **2.0%** applies.

<u>Payroll Tax</u> – **5.45%** on the value of taxable salaries and wages in excess of \$750,000.

In accordance with the guidelines for Best Practice Management of Water Supply and Sewerage, a payment for the amount calculated as the annual tax equivalent charges (excluding income tax) must be paid from Water Supply and Sewerage Business activities.

The payment of taxation equivalent charges, referred in the Best Practice Management of Water Supply and Sewerage Guides to as a "Dividend for Taxation equivalent", may be applied for any purpose allowed under the Local Government Act, 1993.

Achievement of substantial compliance against the guidelines for Best Practice Management of Water Supply and Sewerage is not a prerequisite for the payment of the tax equivalent charges, however the payment must not exceed \$3 per assessment.

Income Tax

An income tax equivalent has been applied on the profits of each reported Business Activity.

Whilst income tax is not a specific cost for the purpose of pricing a good or service, it needs to be taken into account of in terms of assessing the rate of return required on capital invested.

Accordingly, the return on capital invested is set at a pre-tax level (gain/(loss) from ordinary activities before capital amounts) as would be applied by a private sector competitor – that is, it should include a provision equivalent to the corporate income tax rate, currently 30%.

Income Tax is only applied where a positive gain/(loss) from ordinary activities before capital amounts has been achieved.

Since this taxation equivalent is notional - that is, it is payable to the "Council" as the owner of business operations, it represents an internal payment and has no effect on the operations of the council. Accordingly, there is no need for disclosure of internal charges in Council's General Purpose Financial Statements.

The rate applied of 30% is the equivalent company tax rate prevalent as at balance date. No adjustments have been made for variations that have occurred during the year.

Local Government Rates & Charges

A calculation of the equivalent rates and charges payable on all Category 1 businesses has been applied to all land assets owned or exclusively used by the Business Activity.

Loan & Debt Guarantee Fees

The debt guarantee fee is designed to ensure that council business activities face "true" commercial borrowing costs in line with private sector competitors.

In order to calculate a debt guarantee fee, council has determined what the differential borrowing rate would have been between the commercial rate and the council's borrowing rate for its business activities.

Notes to the Special Purpose Financial Statements for the financial year ended 30 June 2014

Note 1. Significant Accounting Policies

(ii) Subsidies

Government policy requires that subsidies provided to customers and the funding of those subsidies must be explicitly disclosed.

Subsidies occur where council provides services on a less than cost recovery basis. This option is exercised on a range of services in order for council to meet its community service obligations.

Accordingly, Subsidies disclosed (in relation to National Competition Policy) represent the difference between revenue generated from 'rate of return' pricing and revenue generated from prices set by the council in any given financial year.

The overall effect of subsidies is contained within the Income Statement of each reported Business Activity.

(iii) Return on Investments (Rate of Return)

The Policy statement requires that councils with Category 1 businesses "would be expected to generate a return on capital funds employed that is comparable to rates of return for private businesses operating in a similar field".

Such funds are subsequently available for meeting commitments or financing future investment strategies.

The Rate of Return on Capital is calculated as follows:

Operating Result before Capital Income + Interest Expense

Written Down Value of I,PP&E as at 30 June

As a minimum, business activities should generate a return equal to the Commonwealth 10 year bond rate which is 3.56% at 30/6/14.

The actual rate of return achieved by each Business Activity is disclosed at the foot of each respective Income Statement.

(iv) Dividends

Council is not required to pay dividends to either itself (as owner of a range of businesses) or to any external entities.

Local Government Water Supply and Sewerage Businesses are permitted to pay an annual dividend from its water supply or sewerage business surplus.

The dividend, calculated and approved in accordance with the Best Practice Management Guidelines, must not exceed either:

- (i) 50% of this surplus in any one year, or
- (ii) the number of water supply or sewerage assessments at 30 June 2014 multiplied by \$30 (less the payment for tax equivalent charges, not exceeding \$3 per assessment).

In accordance with the guidelines for Best Practice Management of Water Supply and Sewerage, a Dividend Payment form, Statement of Compliance, Unqualified Independent Financial Audit Report and Compliance Audit Report are required to be submitted to the NSW Office of Water prior to making the dividend and only after it has approved the payment.

EUROBODALLA SHIRE COUNCIL Special Purpose Financial Report Independent Auditors' Report to the Council for the Year ended 30 June 2014

Report on the Financial Statements of Council's Declared Business Activities

We have audited the accompanying financial statements, being special purpose financial statements, of Eurobodalla Shire Council's declared business activities, which comprises the statement of financial position as at 30 June 2014 and the income statement for the year then ended, a summary of significant accounting policies, and other explanatory notes and the Statement by Councillors and Management.

Council's Responsibilities for the Financial Statements

Council is responsible for the preparation and fair presentation of the financial statements and has determined that the accounting policies described in Note 1 to the financial statements which form part of the financial statements are appropriate to their needs. Council's responsibility also includes such internal controls as the Council determines are necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Council, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Eurobodalla Shire Council as of 30 June 2014 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the special purpose financial statements.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The special purpose financial statements have been prepared for distribution to the Council and the New South Wales Division of Local Government for the purpose of fulfilling the requirements of National Competition Policy reporting. We disclaim any assumption of responsibility for any reliance on this audit report or on the financial statements to which it relates to any person other than the Council or the New South Wales Division of Local Government, or for any purpose other than that for which it was prepared.

Other Matter

Eurobodalla Shire Council has prepared a separate financial report for the year ended 30 June 2014 in accordance with Australian Accounting Standards and the Code of Accounting Practice and Financial Reporting on which we issued a separate auditor's report to the Council dated 4 November 2014.
