

household waste & recycling guide

July 2018-June 2019

Council's Waste Services

For general waste enquiries including stolen or damaged bins and requests for more services: T 02 4474 1024

SUEZ Waste Hotline

For waste and recycling collection including missed services:
T 02 4474 8333

Made for the fridge

The magnet supplied with this guide will help keep your info on hand throughout the year. The A-Z Guide for Waste and Recycling page, with recycling and garden organics collection dates on the reverse, is designed to be removed and stuck to your fridge or noticeboard. Simply tear it along the perforated strip and attach the magnet to your preferred side.

This document has been printed on carbon neutral, FSC certified 100% recycled paper.

How to reduce our waste

1.

Avoid

2.

Reduce

3.

Reuse

4.

Recycle

Helpful tips

1. Avoid

Carry your reusable shopping bags with you at all times, and shop to a list.

When buying fruit and vegetables, no need to bag them.

Invest in a reusable cup and take it with you to your favourite café.

Bring your lunch to work or school in a reusable container.

2. Reduce

Reduce the amount of packaged items you buy.

3. Reuse

Compost / worm farm your organic waste.

Use the green bin to get rid of excess garden organics and clippings. They are mulched at our waste management facilities and then reused.

Look for creative ways to reuse sturdy containers as storage.

4. Recycle

We accept lots of items for free at our waste management facilities. There's a list in this guide.

What can go in my recycling bin?

Mabel Cansort, Queen of Recycling shares hints and tips on a tour of our recycling facility. Watch the video at esc.nsw.gov.au/wasteandrecycling.

Yes please

- Plastic bottles and containers
- Milk and juice cartons
- Green, brown and clear glass jars and bottles
- Magazines, newspapers, flattened cardboard boxes and pizza boxes
- Steel cans, aluminium cans and empty aerosol cans
- Foil, scrunched in a ball larger than a tennis ball
- Rigid plastic that reforms after you scrunch it in your hand

Helpful tips

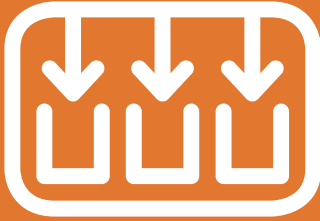

- ▶ Recycling is hand sorted. Please keep it clean and keep bottles whole.
- ▶ Don't overload boxes in the recycling bin. They will get stuck and not empty into the truck.
- ▶ Remove lids from bottles. Lids must be larger than a 50 cent piece to be recycled.

No thanks

- Glass from windows, mirrors, light bulbs (including compact fluorescents), drinking glasses and crockery
- Waxed cardboard or polystyrene, including boxes
- Plastic bags, cling wrap and soft plastic packaging
- Paper towel, tissues, serviettes or shredded paper
- Nappies, clothes, bedding
- Vegetation or ceramic plant pots

- ▶ Don't put recycling in plastic bags.
- ▶ Take extra recycling from your yellow lid bin to the waste management facilities for free.
- ▶ Check the A-Z guide on the back cover to correctly dispose of and recycle your items.

Community Recycling Centres

Drop off your household problem waste for recycling

FREE SERVICE

You can drop off:

Gas bottles and fire extinguishers

Paint

Fluoro globes and tubes

Car batteries

Household batteries

Motor oils

Other oils

Smoke detectors

You can drop off up to 20kg/20L per item. Please transport your materials carefully. Dangerous goods and items other than those listed will not be accepted.

Your Community Recycling Centre is located at:

Surf Beach Waste Management Facility, 311 George Bass Drive, Surf Beach.

Hours-Monday to Friday: 7am-4.45pm. Saturday and Sunday and public holidays: 8am-3.45pm | Closed Good Friday, Easter Sunday, Christmas Day and New Year's Day.

For more information call Eurobodalla Shire Council on 4474 1024 or visit www.epa.nsw.gov.au/recyclingcentres

What can go in my garden organics bin?

Yes please

- Leaves, twigs, prunings, flowers
- Small broken up branches with a maximum thickness of 75mm
- Grass cuttings, lawn clippings

No thanks

- Dirt, soil, sand or potting mix
- Compostable and biodegradable packaging and containers
- Food waste
- Garbage or plastic bags
- Noxious weeds, weed seeds and berries (place these in a plastic bag in the red lid bin)
- Timber, sawdust or building materials

Helpful tips

- ▶ Cut up branches so they don't stick out of the top of the garden organics bin.
- ▶ Your green waste is mulched at our waste management facilities and reused.
- ▶ Complement this collection service by composting and/or worm farming. This will reduce waste and odour in your red lid bin.

How can I reduce my green waste?

About one-third of Eurobodalla's household waste is organic and most of it can be recycled into fertiliser by composting and worm farms.

Worm farm

Come to a workshop

- Learn how to turn your kitchen scraps and garden waste into a rich fertiliser at worm farming and composting workshops hosted by Eurobodalla Council and South Coast Colleges. Workshops are generally held twice a year and participants receive a voucher for a worm farm or composting kit. Keep an eye on Council's events page at esc.nsw.gov.au/events for details.

Love your worms

What you can feed your worms:

Fruit, veggie scraps, tea bags and coffee grounds, crushed eggshells, small amounts of pasta and bread.

What you can't feed your worms:

Onion, garlic, chilli, dairy, citrus fruit meat and bones, fish or dairy.

What can go in my garbage bin?

Everything that goes into your red bin is destined for landfill. Every piece of waste avoided, reused or recycled makes a difference.

Yes please

Household items that can't go in your recycling and garden organics bins, including:

- Soft plastic packaging, plastic bags
- Nappies, clothes, bedding
- Broken glass
- Soiled paper and cling wrap
- Food waste, meat, fish, scraps
- Bagged weeds, seeds and berries

Helpful tips

- ▶ Bins should be placed out the night before collection at least 50cm away from obstacles (letterboxes, light posts, trees and cars).
- ▶ Please keep your bin clean.

No thanks

- Garden organic material
- Hot ashes, rocks or soil
- Car parts
- Building waste
- Cooking oil chemicals or liquids
- Gas cylinders

- ▶ Don't overfill. Make sure the lid is properly closed and the contents are not over 40kg.
- ▶ Check the A-Z guide on the back cover to correctly dispose of and recycle your items.

Avoid single use items yes to reusable

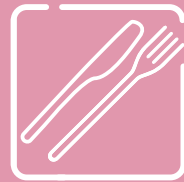

Used once and thrown away, single-use plastics break down into tiny particles that are harmful to humans, sea-life and the environment.

Carry a reusable drink bottle

Bring a reusable shopping bag

Bring your own cutlery and container

Bring your own reusable coffee cup

Refuse plastic wrap and bags, source fresh food

Refuse plastic straws and cutlery

Helpful tips

- ▶ Carry your own cutlery, cup and bag.
- ▶ Our water refill stations are located throughout Eurobodalla. Carry your own bottle and refill.
- ▶ Buy fresh produce when available, refuse plastic wrapped and packaged food, and plastic produce bags.

Hard waste annual collection

Yes please

- Steel, gutters, metal fencing, carpet rolls (1.5m maximum length)
- White goods, microwaves, fridges (remove fridge doors)
- Mowers, garden tools
- Hot water systems, heaters, non-electronic electrical items (jugs, hair dryers, corded power tools)
- Broken furniture, toys

Helpful tips

- ▶ Please sort your hard waste into three piles as follows:
 1. Fridges, freezers, air-conditioning units
 2. Other metal items
 3. Other junk items
- ▶ Each household is allowed up to two cubic metres of hard waste.

No thanks

- Recyclable material
- Glass
- Mattresses, mattress bases (ensemble)
- Televisions and computer products
- Motor vehicle parts / tyres
- Furniture (donate to charity if in good condition)
- Building materials / renovation waste or asbestos
- Hazardous waste – paint, petrol, oil and gas bottles

- ▶ It is very important you present your hard waste correctly on the kerb. This allows recoverable goods to be recycled.
- ▶ Please only put hard waste out just prior to your area's collection date.
- ▶ Doors must be removed from all large airtight whitegoods and containers before disposal. Fridges and freezers could trap and suffocate young children.

Hard waste collection annual dates

This collection takes place once a year. Have your hard waste on the kerb by the dates shown below.

Week	Town	Date
One	Akolele, Tilba Tilba, Central Tilba, Mystery Bay, Narooma, North Narooma.	16 July 2018
Two	Kianga, Dalmeny, Potato Point, Bodalla, Turlinjah.	23 July 2018
Three	Tuross Head, Congo, Bingie, Meringo, Bergalia.	30 July 2018
Four	Moruya, South Head, Garlandtown, Glenduart, Pollwombra, Malabar, Percy Davis, Bimbimbe, Mogo.	6 August 2018
Five	Broulee, Mossy Point, Tomakin, Woodlands, Guerilla Bay, Rosedale, Malua Bay up to Tallawang Ave.	13 August 2018
Six	Malua Bay including Tallawang Ave, Lilli Pilli, Denhams Beach, Surf Beach, Sunshine Bay including Bronte Cres.	20 August 2018
Seven	Batehaven, Catalina, Batemans Bay, Peninsula Drive North Batemans Bay.	27 August 2018
Eight	Nelligen, Surfside, Long Beach, Maloneys Beach, South Durras.	3 September 2018

Helpful tips

- ▶ Any waste in excess of two cubic metres or items not accepted will need to be removed by the resident. Any items left on the kerb will be considered illegal dumping.
- ▶ Any item deemed to be a work health and safety issue will not be collected.
- ▶ Eurobodalla Shire Council accepts no responsibility or liability in respect of any claims, cause of action or loss or damage arising directly or indirectly out of kerbside waste collection.

Hazardous waste household chemical cleanout

Residents can rid their homes of unwanted chemicals for free at this annual collection. This program is partially funded by the NSW EPA.

Yes please

- Oxidisers, solvents, paints and varnishes, household cleaners
- Poisons, pool chemicals, acids and alkalis, medicines
- Pesticides, fungicides, weed killers, fertilisers, fuels and oils
- Gas cylinders, fire extinguishers, smoke detectors, household batteries, compact fluorescent light globes, sharps (syringes)

Helpful tips

- ▶ Household hazardous chemicals have potential to cause physical injury and can contaminate land, drinking supplies and wastewater treatment systems if disposed of improperly by pouring them down drains or on the ground or in the garbage.
- ▶ They can also present hazards to children and pets if left around the house.

No thanks

- Asbestos
- Explosives
- Clinical waste
- Radioactive material

Collection dates

Narooma	16 September 2018 8am–2.30pm Library car park Graham Street
Moruya	15 September 2018 8am–2.30pm Gundry Oval Campbell Street
Batemans Bay	16 September 2018 8am–2.30pm Hanging Rock Boat Ramp Beach Road

Recyclable items we accept for free at our waste management facilities

Yes please

- Motor oil / empty oil containers
- Car batteries
- Televisions and computers
- Scrap steel and metal, including white goods, fridges and freezers
- Cooking oil but not bio-diesel residue
- Polystyrene packaging
- Household recycling (yellow lid bin)
- Paper and cardboard
- DrumMuster chemical drums (pre-booking required for more than 20)
- Fluorescent light tubes and globes
- Mobile phones (also accepted at Council's customer service centre, Moruya)
- Ink cartridges (also accepted at Council's customer service centre, Moruya)
- Household batteries (also accepted at Council's customer service centre and libraries)

Limits on some items may apply.
Please call us on 4474 1024.

Waste management facilities

All waste management facilities are closed Christmas Day, New Year's Day, Good Friday and Easter Sunday.

Brou Landfill

Dalmeny
Brou Lake Road
Monday to Friday
7am – 4.45pm
Weekends and public holidays
8am – 3.45pm
T 02 4476 8310

Moruya Transfer Station

Moruya
Yarragee Road
Thursday to Monday
9am – 4.45pm
No weighbridge facility - limits apply
T 02 4474 5924

Surf Beach Landfill and Specialty Waste Centre

Surf Beach
George Bass Drive
Monday to Friday
7am – 4.45pm
Weekends and public holidays
8am – 3.45pm
T 02 4471 2462
